This catalog does not constitute a contract between Southeastern Free Will Baptist Bible College and its students on either a collective or individual basis. It represents the school's best academic, financial, and social planning at the time the catalog was published. Course and curriculum changes, modifications of tuition, fees, and other charges, plus unforeseen changes in other aspects of Southeastern Free Will Baptist Bible College life sometimes occur after the catalog has been printed. Because of this, Southeastern Free Will Baptist Bible College does not assume a contractual obligation with students for the contents of this catalog.

# A PERSONAL WORD FROM THE PRESIDENT

Welcome to Southeastern's Catalog. More than likely you are here because you are searching for God's will for your life. I believe that you have come to the right place to find help.

Southeastern Free Will Baptist Bible College exists to develop servants for the local church. Our local churches are in regular need of pastors, assistant pastors, youth and music ministers, Christian school teachers and business managers. If your burden and vision is to establish a body of believers in the United States or on a foreign field, we can help you develop the skills to do so.

Our mission as a Christian college is to help you find your place in God's great field of service. Southeastern provides the kind of atmosphere where young people can search and find the will of God for their lives. That atmosphere involves being in the midst of godly professors who love their students, counsel them, and pray with them. Our unique atmosphere also places young people in the midst of other young people whose heart's desire is to find God's will for their lives and to serve Him.

Allow me to make one final observation. Our chapel services are defined by passionate, anointed preaching. The Apostle Paul states in Titus 1:3, "But [God] hath in due times manifested his word through preaching," God speaks to our hearts (reveals His will to us) through the anointed preaching and teaching of His Holy Word. The more preaching and teaching that we expose ourselves to, the more apt we are to find God's will.

If you have questions after browsing our catalog, feel free to email or call us. We will be more than pleased to help you. We feel that Southeastern Free Will Baptist Bible College is an excellent choice for those who desire to find God's will for their lives and who want to receive the training that will help them serve Jesus Christ effectively.

*President Jim Marcum*

# PURPOSE STATEMENT

The purpose of Southeastern Free Will Baptist College (SFWBC) is to train men and women for church-related ministries which are distinctively Free Will Baptist in doctrine and fundamental in practice.

Students choosing to attend SFWBC do so because our program is more "ministry oriented" than "career oriented." It is our purpose to prepare our students for a variety of church related ministries such as:

- Pastors,
- Associate pastors,
- Evangelists,
- Missionaries,
- Christian school teachers,
- Youth pastors,
- Church musicians, and
- Office personnel.

In the process of offering this specialized training, it is our objective to emphasize the following:

- Strong local churches,
- Biblical pastoral authority,
- Soul-winning,
- Revival,
- Christian schools,
- Home and foreign missions, as well as
- High academic standards with an emphasis on practical application.

# PHILOSOPHY OF EDUCATION

SFWBC is dedicated to preparing Christian men and women for Christian living and the ministry. The College operates under a Biblical philosophy of education which is Christ-centered, founded in the truth of a triune personal God, revealed through creation, the person and work of His Son, Jesus Christ, and the inspired, infallible, inerrant Word of God. As a Christian educational institution, SFWBC is committed to providing an educational opportunity where the Christian world view is emphasized as both a basis for thinking and a pattern for living. The College is committed to developing believers to maturity in Christ.

SFWBC holds to the principle that the teaching learning process involves the whole person. This includes developing the students knowledge, values, and skills that will enable them to fulfill God's will for their lives. In light of this SFWBC recognizes the necessity of a faculty consisting of regenerated individuals who are in close communion with God and a student body intent on a devotion to the Lord.

# MORAL AND ETHICAL VALUES

These Things We Hold Dear ...

- We value a "conservative" philosophy of dress, music, and entertainment.
- We value a Christian world view that permeates all our disciplines.
- We value a theological education that is orthodox in doctrine, fundamental in application, and true to our Free Will Baptist doctrine.
- We value a thorough preparation for our students for a lifetime of ministry.
- We value academic excellence and scholastic integrity among our students and our faculty.
- We value an atmosphere of Biblical preaching and instruction that helps the student in their passion to live for and be like the Lord Jesus Christ.
- We value an education philosophy that not only teaches the theoretical, but the practical as well.
- We value an environment that promotes spiritual growth and transformation (Eph. 3:16-19).
- We value globally accessible theological education (Matt. 28:19-20).
- We value on-going institutional quality and improvement (Col. 3:23-24).
- We value personal soul-winning and global evangelization.
- We value self-discipline in our students and faculty.
- We value the Christian School as an extension of the home and are committed to training quality teachers for this ministry.
- We value the local church ministry model as taught in the New Testament and teach it diligently to our students.

# STATEMENT OF FAITH

- I. **Trinity:** We believe there is but one true and living God whose essence is spirit and who exists in a Trinity of equal persons, the Father, the Son, and the Holy Spirit, and that they are each equal and infinite in their being, power, glory, and attributes.
- II. **The Father:** We believe that God the Father is the First Person of the divine Trinity who is absolute in His deity possessing all the attributes of deity and equal with the Son and the Holy Spirit.
- III. **Jesus Christ:** We believe in the absolute deity of Jesus Christ our Lord and that He shares equally in all the attributes of deity with the Father and the Holy Spirit. We believe in His virgin birth, in His perfect and sinless humanity, in His miracles and in their literalness, in His substitutionary, satisfactory, propitiatory, atoning death on Calvary, in His bodily resurrection, in His ascension to the right hand of the Father, in His present intercessory ministry, and in His personal return for the Church.
- IV. **Holy Spirit:** We believe in the absolute and full deity of the Holy Spirit, the Third Member of the blessed Trinity, who is equal with the Father and the Son. It was the Father who gave His Son, the Son who gave His life, and it is the Holy Spirit who today gives spiritual life to those who believe in Christ. He indwells the believer and empowers him and Christ's Church for service giving the various gifts to the members of the body of Christ to aid the Church in accomplishing the Great Commission.
- V. **Scriptures:** We believe that holy men of old wrote the Bible as they were moved (literally "being borne along") by the Holy Spirit (II Peter 1:21), which harmonizes with II Timothy 3:16, which teaches that all Scripture is inspired (literally "God breathed") or "breathed out by God". This means that the Holy Spirit so superintended the writers of the Holy Scripture that, although they utilized their own vocabularies and experiences, they wrote the very exact message God intended without any omission, addition, or error which means that the Bible is theologically, historically, scientifically, and geographically correct since the Holy Spirit is incapable of erring. Being plenary verbally inspired by the Holy Spirit guarantees the infallibility and inerrancy of the Bible in every area in which it speaks and makes it the highest authority and guide for the believer.
- VI. **Salvation:** We believe in salvation by grace totally apart from any human merit. Salvation is bestowed by a gracious God upon unworthy man conditioned solely upon his faith in Jesus Christ and His finished work on Calvary (Eph. 2:8-10; Jn. 3:16).

- A. God's offer of Salvation:** We believe that the atonement of our Lord was unlimited, that Jesus died for the sins of the whole world and therefore offers salvation to the whole world (John 3:16; I John 2:2; I Timothy 2:4; II Peter 3:9). We believe that the atonement of Jesus was sufficient for all but efficient only for those who believe. We believe that the atonement is limited only by man's unbelief and not by an arbitrary decision on God's part to save some and to reprobate the rest of mankind to hell.
- B. God's Choice of Who Will Be Saved:** We believe in conditional election, that, according to I Peter 1:1-2, God chose from the masses of mankind those who would be saved on the basis of His foreknowledge of their faith. We believe that God's foreknowledge was based on His omniscience and that in His omniscience He knew who would believe and those He elected or chose to save. (We recognize that there are some who try to distort election on the basis of a foreknowledge of faith into election by merit. If election on the condition of faith is election by merit, then salvation on the condition of faith is also salvation by merit or works.)
- C. Man's Response to God's Gracious Offer:** We believe in resistible grace, that an individual can say no to the convicting power of the Holy Spirit and be forever lost. We believe that when God extends a call to salvation, it is a legitimate call both to the elect and to the non-elect, and that the non-elect refuses because of his own personal unbelief or rebellion and not because God refuses to enable him to believe because he was not one whom He chose to be saved. We believe that every individual who receives the call of the Gospel also receives a divine enablement to believe.
- D. Depravity:** We believe in total depravity, that a man is born dead in trespasses and sin, and that apart from the divine enablement of the Holy Spirit, man, left to his own, will never and can never repent and believe. We believe that all men born since Adam are born with a natural inclination toward sin and not toward God and righteousness, that as Adam fled in the Garden from God, unregenerate man still flees a loving and pursuing God. We believe that although man is born dead in trespasses and sin and that the image of God in man is marred, he is still in the image of God, mentally, volitionally, and emotionally. The image of God in man is marred but not destroyed.

- VII. Security of the Believer:** We believe that the Word of God teaches the security of the believer, that God will keep securely in His hand (Jn. 10:25-30) those who are trusting in Jesus but offers absolutely no hope for that person who is not trusting in Christ (I Pet. 1:5). The link that unites God and man is faith (Jn. 3:16). The security of the believer is based upon a continuous faith in Jesus Christ (Col. 1:21-23; John 3:16; Heb. 3:12-13). We believe that the Scriptures present the possibility of an authentic believer ceasing to believe (I Jn. 2:24; Heb. 3:12-13) but not in the probability (Heb. 6:9). We believe that apostasy is committed by willful unbelief and is without remedy (Heb. 6:4).
- VIII. New Birth:** We believe that all men are born with a depraved nature and are sinful by nature and by choice and as such are alienated from God, born dead in trespasses and sin. We believe that this condition can only be reconciled by the new birth, which is a work of regeneration wrought by the Holy Spirit (Jn. 3:5-6; Titus 3:5), conditioned upon a man's personal faith in the atoning work of Jesus on Calvary as sufficient payment for his sins (Eph. 2:8-10).
- IX. Resurrection:** We believe in future bodily resurrection of the believer, at which time he will receive a resurrected glorified body, and that the new body will be joined with the soul so that the child of God will spend eternity to come as a body/soul being. We likewise believe that the unbeliever will be resurrected with a body and soul which will forever suffer in the torments of hell.
- X. Judgment:** We believe in the future Judgment Seat of Christ at which time the believer will stand before Christ and be judged and rewarded for the deeds done in the body whether they be good or bad (II Cor. 5:10). We also believe in the Great White Throne Judgment for the unsaved, where their lives will be reviewed and judged according to their works which will determine the degree of their punishment in the eternal flames of hell (Rev. 20:11-15).
- XI. Devil:** We believe in the existence of a literal personal evil and malicious being called Satan or the Devil who led a rebellion against God at some point before creation and was cast out of heaven along with the angels (demons) who followed him. He and his demonic horde's seek to tempt men to sin and thereby doom them to eternity in the fires of hell. His doom and that of mankind who follow him has been pronounced as the lake of fire where he will one day be banished and shut up forever.
- XII. Church:** We believe in the local church as God's autonomous, self-governing, divinely ordained institution for this age, whose head is Christ (Eph. 5:22-23; Col. 1:18) and whose life and vitality are produced by the regenerating indwelling presence and power of the Holy Spirit. We believe that the Great Commission (to evangelize and edify) is still the great task of the

Church today (Matt 28:18-20). We believe that the individual local church is the highest spiritual authority on earth outside the Christian home and that all other para-church organizations or institutions exist by the authority granted by the local church or cooperating local churches, and that their only right of existence is as they ultimately aid the Church in fulfilling the Great Commission.

- XIII. Pastor:** We believe that the pastor, as the under-shepherd, is to lead his flock as he is led by Christ through His Word (Acts 20:28). He is not to lord over God's heritage but to lead by example (I Pet. 5:2-3) and as a servant (Matt. 23:11). The sheep (as a whole or in part) are never told to lead themselves, that is the under shepherd's task. We believe that the pastor is to work in cooperation with his church board but is never to be subservient to the board yet recognizing that in the multitude of counselors there is safety (Prov. 11:14).
- XIV. Creation:** We believe in the literal historicity of the Genesis account of God's creating this earth and man in seven literal twenty-four hour days, of man's early home in the Garden paradise, of his fall by eating the forbidden fruit, of his spiritual death and depraved nature resulting from this rebellion, and of his expulsion from the Garden.
- XV. Human Sexuality:** We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between one man and one woman. We believe that any form of sexual immorality; including homosexuality, lesbianism, bisexuality, incest, fornication, adultery, and pornography are sinful perversions of God's gift of sex. We believe that God disapproves of and forbids any attempt to alter one's gender by surgery or appearance. (Gen. 2:24; Gen. 19:5; Gen. 26:8-9; Lev. 18:1-30; Rom. 1:26-29; I. Cor. 5:1; 6:9; I Thess. 4:1-8; Heb. 13:4)

We believe that the only Scriptural marriage is the joining of one man and one woman. (Gen. 2:24; Rom. 7:2; I Cor. 7:10; Eph. 5:22-23)

# FINANCIAL ASSISTANCE

**General Requirements for All Scholarship Awards:** In order to be considered for a scholarship a student must maintain a minimum cumulative GPA as outlined in the “Classification of Students” (see “Academic Requirement” section). In addition, students must remain in good standing until the end of the term of a scholarship in order to keep the scholarship. Should a student leave or be asked to leave by the College before the year has passed, the scholarships may revert back to the respective scholarship funds for redistribution to other students at a future date.

Should any scholarship create a credit balance for a student, it will roll to the next semester as long as he/she continues to be a student in good standing and have active charges to his/her account. Should a student leave with a credit balance from a scholarship, that credit amount will revert back to the scholarship fund for redistribution to other students at a future date.

Matching scholarship amounts will be placed on a student’s bill, dollar for dollar on the amount paid towards the bill up to the amount granted. Other college scholarships do not apply to the matching amount. Distribution of the matching funds will usually occur towards the end of each month until the award is paid out in its entirety.

Payments arranged in the business office may alter monthly based on payments and scholarship amounts matched. Monthly statements will reflect the current payment due for the next month and projected payments for months to follow.

**NOTICE:** *The following scholarships are given as funds are available and distributed based on the requirements of the scholarship and the decision of the Scholarship Committee.*

**General Scholarship:** Based on availability of funds, this scholarship is given to those students who maintain a minimum cumulative GPA as outlined in the "Classification of Students", who have a financial need, and who demonstrate a high level of dedication to their studies and Christian service.

**Jean Reavis Matching Scholarship:** A \$1,000,000 scholarship endowment was established in 2006 by Bobby Reavis in honor of his wife, Jean. Mr. & Mrs. Reavis are faithful supporters of Southeastern and established this fund to assist those in the call God has placed on their lives. The initial principal has been invested and some portion of the interest is used to grant matching scholarships as determined by the scholarship committee of the College. Scholarship awards are based on a combination of need, merit and overall faithfulness of students as reviewed by the committee with input from various sources (administration, faculty and staff, etc). Students should apply for this scholarship by completing an application available from the Business Office. The matching scholarship is structured such that each month, a payment is made to the recipients based on the amount they have contributed to their bill.

For example, a student is awarded a \$1,000 matching scholarship and pays down \$250 on his/her bill. The scholarship fund will then pay out \$250 of the \$1,000 and the student retains a \$750 potential award based on continued contributions to their bill, as well as continued good standing with the College (see general scholarship requirements).

***Kimberly Mischa Bevan Memorial Scholarship:*** Monies from this fund will go to needy students who, like Mischa, are committed to serving the Lord in full-time Christian work. The “Mischa Bevan Story” along with a complete information packet is available upon request.

## LOAN PROGRAM

---

***Danny Howell Memorial Loan & Oaklawn Loan:*** These loans are available only to married students showing financial need. A married student must take at least six (6) hours and maintain a "C" average to qualify. Available funding for these loans is subject to restrictions. Funding can be verified by the Business Office.

# s STUDENT LIFE

***Campus Life:*** Academic excellence and spiritual vigor combine to develop the total person. Emphasis on the personal relationship of the individual student with God forms the basis upon which a full and satisfying life can be built. This same emphasis places in proper perspective all of learning as well as all of life. Bible and missionary conferences, days of prayer, dormitory devotions, and chapel stimulate each student to seek God’s will for his/her life. This spiritual emphasis provides the help needed to develop spiritual maturity. The guidelines outlined in the Student Handbook also seek to foster spiritual growth and development. The spiritual emphasis has one additional advantage: it improves the quality of all learning.

***Chapel and Christian Service:*** Chapel is required of every student three days each week (depending on their class and work schedule). Students are required to attend a likeminded church in the area and become involved in a specific ministry of that church and actively participate in soul-winning efforts. All students of Southeastern are required to participate in the evangelistic outreach of the local church they choose to attend. Prayer groups are required for dorm students and available to off campus students in which the student will report on his/her ministry activities for the week to their prayer captain. Students also have the opportunity to participate voluntarily in World Mission Fellowship which meets once each month. This organization adopts a foreign or home missionary each semester and prays for, sends financial support to, and sends cards and e-mails of encouragement. This institution also

provides opportunities for spiritual development through its Campus Revival, Missions Conference, Missions Retreat, and Spring Preaching Conference. These events are published in our quarterly publication "The Standard," our on-line school calendar, and through specific announcements by our promotional department.

Each summer the Institution sponsors mission trips to different locations both at home and abroad. Ministerial students have opportunities to preach on weekends in the area churches. Internships are available to Christian Ministry students as a part of the academic program of the Institution.

Students also have the opportunity to become a part of the colleges choir and ensemble which travel to various churches.

***Student Conduct:*** All students of the College are expected to maintain the highest standards of moral conduct and concern for the well-being and rights of their fellow students. Plagiarism and cheating are considered serious enough offenses to warrant a failing grade for any course in which they have been practiced; repeated offense can result in the student's suspension or expulsion from the College. Gambling, homosexual activity, sexual activity outside of marriage, sexual harassment, the use or possession of alcoholic beverages, non-prescription narcotics and drugs, or hallucinogenic drugs, and use or possession of firearms or fireworks are expressly forbidden. The Student Handbook provides detailed statements of the College policies, procedures, and penalties relating to the campus citizenship. The handbook is available on the Institutional website [www.sfwbc.edu/students/handbooks](http://www.sfwbc.edu/students/handbooks).

***Student Organizations:*** Students are required to participate with their designated class in the election of officers, and deciding issues pertinent to the class. There is also the opportunity for students to participate Student Body, World Mission Fellowship, societies as well as the Student Government Organization.

Students are asked to identify their level of interest in the Institution's Student Government Organization. Students interested in participating in Student Government appoint other students from various classes to serve as their representative. The Student Government Organization is under the direction of the Director of Student Life and meets monthly to discuss issues relating to student affairs.

The Student Government Organization strives to promote and uphold the biblical foundations, standards, and guidelines upon which the Institution was founded and provides an organization whereby student leaders may be taught leadership principles and responsibilities.

The Director of Student Life maintains close contact with the students to monitor their feelings, needs, and goals and addresses any concerns with the Dean of Students. In addition, students have the opportunity to voice

matters of importance and provide input through said Organization. The Student Government Organization operates according to the Student Government Policies and Procedures Manual.

Students also have opportunity to serve as Prayer Captains in their respective dorms. Each year the Dean of Men and Women make recommendations to the Dean of Students and the Director of Student Life of students under their care, who exemplify the qualities conducive to our overall mission.

All students holding offices of leadership are required to attend two leadership conferences held each year.

***Academic Guidance:*** Every student is assigned to a faculty advisor. The academic progress of the student is evaluated at mid-term and the student is advised of any unsatisfactory achievement. Individual counseling is part of the guidance program and is available for the students in regard to work, personal problems, religious experiences, or other matters.

***Exceptions To Policies:*** Any exception to the policies in this Catalog must be addressed to the proper administrator: student services issues to the Director of Student Life, financial issues to the Business Office, and academic issues to the Academic Dean.

#### ***FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)***

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records:

- 1) The right to inspect and review the student's education records within 45 days of the day the Institution receives a request for access. Students should submit to the Registrar, Dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- 2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the Institution to amend a record that they believe is inaccurate or misleading. They should write the Institution official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the Institution decides not to amend the record as requested by the student, the Institution will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- 3) The right to consent disclosures of personally identifiable information

contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to institution officials with legitimate education interests. An institution official is a person employed by the Institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the Institution has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another institution official in performing his or her tasks. An Institution official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the Institution discloses education records without consent to officials of another institution in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance  
Office U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, D. C. 20202-4605

**Credit Hour Definition:** Southeastern Free Will Baptist College operates on the semester system. The unit for granting credit is semester hour. One-hour of semester credit is granted for classes that meet equivalent to a 50-minute class period for 15 weeks with an assumption of two hours outside preparation for each semester hour. This definition applies to both residential or on campus classes and online classes. Courses at Southeastern Free Will Baptist College are one, two, and three credit hours.

One semester hour of academic credit is normally awarded for completion of a course meeting for 750 instructional minutes (50 minutes per week for fifteen weeks). A semester includes one week devoted to final examinations. Students are also expected to devote two hours per week to out-of-class work for each hour of instructional time.

The terms “instructional minutes” and “instructional time” include classroom and direct faculty instruction whether presented in person or online. It also includes time devoted to tests and other evaluation procedures. Student out-of-class work includes assigned reading, studying, completion of assignments, worksheets, research, and other academic activities assigned or recommended by the instructor.

**Grade Point Average (GPA) :** The GPA is determined by dividing the number of quality points earned by the number of semester hours attempted (see previous section).

***Classification of Students:***

Senior:..... 90 or more semester hours credit with a 2.00 GPA.

high school diploma or equivalency, or when it is determined by the  
Administration that he cannot academically receive a degree.  
Part-time: ..... Any student enrolled taking less than 12 hours.

Any student exceeding these program time limitations must reapply and will be required to complete the degree program under the published guidelines set forth in the catalog in effect when readmission into the program occurs. For more information, see "Readmission Policies."

***Extension Studies Guidelines:*** Transfer of correspondence studies are subject to the approval of the Registrar. A maximum of nine hours of correspondence studies can be taken by a Southeastern student for an on-campus degree. All correspondence hour(s) approved as transfer credits will count toward the nine (9) hours maximum allowed by an on-campus student. New students will be permitted to transfer up to 30 hours of correspondence studies before enrolling for an on-campus degree. Freshman English and Systematic Theology requirements cannot be met by any correspondence courses. All correspondence courses must be completed by the first day of the semester in which the student intends to graduate. Online courses and courses taken on campus at other institutions are not counted in the correspondence totals.

The student, with the help of his/her advisor, will complete the Graduation Application which, when finished and approved, will contain all the requirements that remain for that student to graduate from the institution. The Graduation Application Fee listed on the Finance page will be charged to the student’s account. The Graduation Application lists a number of deadlines that the student must meet. extension for those requirements.

***Attendance:*** Students are generally allowed one absence without penalty for each credit hour for each class (e.g. a 3 hour course allows 3 absences). Absences may be part of the academic requirement of some courses. There are certain days that absences are not allowed. Details of the Absentee Policy can be found in the Student Handbook.

## PROBATION, SUSPENSION, DISMISSAL

---

**Academic Notice:** A first semester freshman whose GPA at midterm is lower than 1.5 is placed on Academic Notice for the remainder of the semester. Students under Academic Notice are required to observe mandatory study hours in the dorm as outlined in the “*Student Handbook*.”

**Academic Probation:** Students are placed on Academic Probation whose cumulative GPA is less than that required in the “Classification of Students” above. Students are placed on Academic Probation at the beginning of each semester and the probation lasts the entire semester regardless of the student’s midterm grades. Students under Academic Probation are required to observe mandatory study hours in the dorm as outlined in the “*Student Handbook*.” In addition, students on Academic Probation shall not do any of the following:

- Hold student office
- Carry more than 14 semester hours
- Take part in athletics
- Represent the school in any capacity

**Academic Suspension:** Any student who remains under academic probation for two consecutive semesters shall be subject to suspension for one semester. Exceptions to this will be made by the Academic office in the case of a student who 1) is showing effort in academics, 2) has not been a discipline problem, and 3) realizes that his or her official status will be under the classification of “Special” as outlined above. Work done at other colleges while under academic suspension will not be accepted.

**Academic Dismissal:** A student who is readmitted to the College after having been suspended must maintain satisfactory academic standing for his first semester after returning or he will be subject to dismissal from the College.

**Withdrawal from the College:** A student desiring to withdraw from the College must secure a Withdrawal Form from the Office of the Registrar. He will be allowed to withdraw only after said form has been properly submitted and accepted by the Registrar. Until such time, he is still considered to be enrolled and will be charged for tuition, room and board. When a student has properly withdrawn from the College, transcripts will be issued at his request (if all account balances are at zero) and any refunds to which he is entitled will be made. A student will be considered unofficially withdrawn when he is absent from the College property without excuse and beyond the number of days allowed for class absences.

**Student Conduct:** Students at Southeastern are expected to develop and maintain strong Christian character. They must abide by all the guidelines and standards of the College. The standards of conduct expected of students at Southeastern are based on Biblical principles. Details of the policies regarding student conduct can be found in the “*Student Handbook*.”

## COMPLAINT RESOLUTION POLICY

---

Students have an opportunity to present their complaints and to appeal faculty or administrative decisions through a dispute resolution or grievance procedure. SFWBC will attempt to resolve promptly all grievances that are appropriate for handling under this policy.

### *Policies*

1. An appropriate grievance is defined as a student's expressed feeling of dissatisfaction concerning any interpretation or application of a work/study-related policy by management, faculty or other employees.
2. Students must notify SFWBC in a timely fashion of any grievance considered appropriate for handling under this policy. The grievance procedure is the exclusive remedy for students with appropriate grievances. As used in this policy, the terms "timely fashion," "reasonable time" and "promptly" will mean seven days.
3. Students will not be penalized for proper use of the grievance procedure. However, it is not considered proper if a student abuses the procedure by raising grievances in bad faith or solely for the purposes of delay or harassment, or by repeatedly raising grievances that a reasonable person would judge to have no merit.

### *Procedure*

1. Promptly bring the grievance to the attention of a faculty member. If the grievance involves a faculty member, then it is permissible to proceed directly to Step 2. The faculty member is to investigate the grievance, attempt to resolve it and give a decision to the student within a reasonable time. The faculty member should prepare a written and dated summary of the grievance and proposed resolution for file purposes.
2. The student may appeal the decision to the Academic Dean, if dissatisfied with the faculty decision, or initiate the procedure with the Academic Dean if the grievance involves a faculty member. If the grievance involves the Academic Dean, then it is permissible to proceed directly to Step 3. An appeal or initial complaint must be made in a timely fashion in writing. The faculty member's version of the grievance and decision will then be submitted, also in writing. The Academic Dean will, in a timely fashion, confer with the student, the faculty member and any other members of management considered appropriate; investigate the issues, and communicate a decision in writing to

all the parties involved.

3. The student may appeal an unsatisfactory Academic Dean decision to the President, or initiate the procedure with the President if the grievance involves the Academic Dean. The timeliness requirement and procedures to be followed are similar to those in Step 2. The President will take the necessary steps to review and investigate the grievance and will then issue a written, final, and binding decision.
4. Final decision on grievances will not be precedent-setting or binding on future grievances unless they are officially stated as SFWBC policy. When appropriate, the decision will be retroactive to the date of the student's original grievance.
5. Information concerning a student's grievance is to be held in strict confidence. The office of the Academic Dean will collect, file and report all student complaints. Faculty members, department heads and other members of management who investigate a grievance are to discuss it only with those individuals who have a need to know about it or who are needed to supply necessary background information.

Students who feel that the administration or faculty are not dealing properly with their complaint may contact Transnational Association of Christian Colleges by mail at TRACS, P.O. Box 328, Forest, VA 24551; by phone at 434-525-9539; or by e-mail at [president@tracs.org](mailto:president@tracs.org).

# MUSIC

---

The primary objective of the Department of Music at Southeastern Free Will Baptist College is to educate musicians who are God honoring, Christ centered, controlled by the Holy Spirit, and grounded in Scriptural principles for music ministry. Based on the Scriptural injunction, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" (2 Timothy 2:15), the College insists on thorough scholastic training of its music students to serve the ministry of the local church. In order to accomplish this purpose, the College will provide the student with a solid Biblical philosophy of music ministry. In addition, the student will be enabled to acquire an understanding of fundamental music concepts, as well as be provided with the necessary skills for music performance and music writing that honor God. The College will also provide the student with opportunities for music ministry that allow practical application of the theoretical information received in the classroom.

# PASTORAL THEOLOGY

# THEOLOGY AND LANGUAGES

---

The Department of Theology and Languages is built around a solid commitment to the Bible as the inspired, infallible Word of God. There could be no real systematic theology without a congruous and coherent Bible which is capable of being studied, not only as trustworthy, but in an orderly and systematic manner. There would be little reason to study its message in its original languages if it were a disorganized conglomeration of legends and myths. However, the Department of Theology and Languages at Southeastern is founded upon an infallible and inerrant Scripture dictated by the Holy Spirit as He moved upon men to write.

The message of the Christian Scriptures, although written many hundreds of years ago, is contemporary. Its message should constitute the philosophy of the Christian.
