We are very pleased to announce that Southeastern Free Will Baptist College has been granted Candidate Status by the Transnational Association of Colleges and Schools (TRACS).

TRACS is recognized by both the United States Department of Education (USDOE) and the Council for Higher Education Accreditation (CHEA) as a national institutional accrediting agency for Christian postsecondary institutions, colleges, universities, and seminaries. With Candidate Status, we are officially a member of TRACS and will have up to 5 years to achieve Accredited Status. Our goal is to accomplish this in 3 years.

Thank you for your prayers. We give praise to a loving and merciful God for His guidance and care. We believe this is a major step in allowing us to continue to fulfill our mission of *"training men and women for church related ministries."*
