Federal Student Aid

In order to receive Federal Student Aid such as a Pell Grant or a Direct Stafford Loan, you must:

1. Complete the Free Application for Federal Student Aid (FAFSA) online at fafsa.gov and list Southeastern Free Will Baptist College as one of your college choice considerations using school code: 042740.
2. Contact the college Director of Federal Student Aid at (919) 365-7711 to express an interest in receiving federal student aid.

Federal Student Aid Facts:

- Maximum Pell Grant for 2025-2026 = \$7,395
- Recent trends show that more than one-third of our students receive a Pell Grant.
- Maximum and Minimum Pell Grant eligibility are determined based on tax filing requirements, family size and composition (i.e., single parent or non-single parent), federal poverty guidelines, and state of residence.¹ A general idea of the award can be seen in the chart below but is not guaranteed due to other factors.
- Other factors that may affect the Pell Grant amount include any income allowances or offsets, other education credits, self-employment, and assets of the parent(s) and/or student.
- Direct Stafford Loans allow payments to be delayed until 6 months after graduation or dropping below “half-time” status as a college student and may be given as Subsidized Loans (no interest while in college) or as Unsubsidized Loans (interest accrues while in college).
- Direct Stafford Loan Maximums for Dependent Undergraduate:
 - Year 1: Subsidized = \$3,500
Unsubsidized = \$5,500
 - Year 2: Subsidized = \$4,500
Unsubsidized = \$6,500
 - Year 3+: Subsidized = \$5,500
Unsubsidized = \$7,500

2025-2026 SAI Chart

based on Family's Adjusted Gross Income (AGI)

Family Size	Maximum Pell Awarded up to	Minimum Pell Awarded at
1	\$23,783	\$37,373
2	\$32,043	\$50,353
3	\$40,303	\$63,333
4	\$48,563	\$76,313
5	\$56,823	\$89,293
6	\$65,083	\$102,273
7	\$73,343	\$115,253
8	\$81,603	\$128,233

If the family's AGI falls between the two numbers, the Pell Grant is awarded by subtracting the SAI number from the max Pell award (e.g. \$7,395 - SAI of 1,281 = Pell Award of \$6,114).
