This *Catalog* does not constitute a contract between Southeastern Free Will Baptist College and its students on either a collective or individual basis. It represents the school's best academic, financial, and social planning at the time of its publication. After the catalog has been printed, modifications sometimes occur in areas such as course offerings, curriculum descriptions, student life, and financial obligations (i.e., tuition and fees); therefore, Southeastern Free Will Baptist College does not assume a contractual obligation with students for the contents of this catalog.

A PERSONAL WORD FROM THE **PRESIDENT**

I'm glad you are looking at Southeastern's *Catalog*. Perhaps you are just like I was in 1983: I had surrendered my life to our Lord and was looking at where I could be trained to serve Him. I was a freshman entering Bible college, and Southeastern was opening its doors for the very first time. By faith, I walked right through those doors, and the trajectory of my life changed forever. Southeastern was the perfect place for me. Although I had opportunities to go to larger colleges, it was here that I immediately felt like I was part of a family!

Southeastern began with a heart for ministry in and through the local church. It is a wonderful place to find and complete the will of God for your life. We have trained countless pastors, missionaries, and Christian school teachers all around this globe. As the chairman of North American Ministries, I know that over half of our missionaries in North America are graduates of Southeastern. We are a small college doing big things for Christ!

If we can help you, whether it's answering questions or starting the application process, please reach out to us by phone or by email. I encourage you to come and find God's will for your life at Southeastern. Perhaps you will be just like me in realizing that it is one of the greatest decisions of your life!

MISSION STATEMENT

The purpose of Southeastern Free Will Baptist College (SFWBC) is to train men and women for church-related ministries.

MISSION RATIONALE

Southeastern exists to train men and women for church-related ministries which are distinctively Free Will Baptist in doctrine and fundamental in practice.

Students who choose to attend SFWBC often do so because they desire an education that is distinctly Christian, ministry-minded, and biblically grounded. The College is committed to preparing men and women for a variety of church-related ministries while also equipping them for vocational opportunities in fields such as business and administration, where they may serve Christ with integrity, leadership, and a heart for ministry. These areas may include, but are not limited to, the following:

- Pastors
- Associate pastors
- Evangelists
- Missionaries
- Christian school teachers
- Youth pastors
- Church musicians
- Office personnel
- Business professionals

- Administrators
- Accountants

In the process of offering this specialized training, we desire to emphasize the following:

- Strong local churches
- Biblical pastoral authority
- Soulwinning
- Revival
- Christian schools
- Home and foreign missions
- High academic standards with an emphasis on practical application

INSTITUTIONAL LEARNING OUTCOMES **(ILOS)**

(The ILOs support the Mission Statement of the College.)

1. Demonstrate knowledge in the areas of Bible doctrines and teachings, as well as biblical philosophy.
2. Apply knowledge in practical ways in their field of study.
3. Engage in thinking critically, biblically, and with a Christian worldview as exhibited in research, writing, and speaking.
4. Effectively communicate the gospel for the purpose of carrying out the Great Commission of Jesus Christ.
5. Demonstrate knowledge of human culture from the perspective of a Christian worldview.

PHILOSOPHY OF EDUCATION

SFWBC is dedicated to preparing Christian men and women for Christian living and the ministry. The College operates under a biblical philosophy of education which is Christ-centered, founded in the truth of a triune personal God, revealed through creation, the person and work of His Son, Jesus Christ, and the inspired, infallible, inerrant Word of God. As a Christian educational institution, SFWBC is committed to providing an educational opportunity where the Christian worldview is emphasized as both a basis for thinking and a pattern for living. The College is committed to developing believers to maturity in Christ.

SFWBC holds to the principle that the teaching/learning process involves the whole person. This includes developing the students' knowledge, values, and skills that will enable them to fulfill God's will for their lives. Considering this, SFWBC recognizes the necessity of a faculty consisting of regenerated individuals who are in close communion with God and a student body intent on a devotion to the Lord.

ETHICAL VALUES AND STANDARDS

These things we hold dear:

- We value an atmosphere of biblical preaching and instruction that helps the students in their passion to live for and be like the Lord Jesus Christ.
- We value a Christian worldview that permeates all our disciplines.
- We value a theological education that is orthodox in doctrine, fundamental in application, and true to our Free Will Baptist doctrine.
- We value a thorough preparation for our students for a lifetime of ministry.
- We value academic excellence and scholastic integrity among our students and our faculty.
- We value an education philosophy that teaches not only the theoretical but also the practical.
- We value an environment that promotes spiritual growth and transformation (Eph. 3:16-19).
- We value globally-accessible theological education (Matt. 28:19-20).
- We value ongoing institutional quality and improvement (Col. 3:23-24).
- We value personal soulwinning and global evangelization.
- We value self-discipline in our students and faculty.
- We value the Christian school as an extension of the home and are committed to training quality teachers for this ministry.
- We value the local church ministry model as taught in the New Testament and teach it diligently to our students.
- We value a conservative philosophy of dress, music, and entertainment.

STATEMENT OF FAITH

- I. **Trinity:** We believe there is but one true and living God whose essence is spirit and who exists in a Trinity of equal persons—the Father, the Son, and the Holy Spirit—and that they are each equal and infinite in their being, power, glory, and attributes.
- II. **The Father:** We believe that God the Father is the First Person of the divine Trinity who is absolute in His deity, possessing all the attributes of deity, and equal with the Son and the Holy Spirit.
- III. **Jesus Christ:** We believe in the absolute deity of Jesus Christ our Lord and that He shares equally in all the attributes of deity with the Father and the Holy Spirit. We believe in His virgin birth, in His perfect and sinless humanity, in His miracles and in their literalness, in His substitutionary, satisfactory, propitiatory, atoning death on Calvary, in His bodily resurrection, in His ascension to the right hand of the Father, in His present intercessory ministry, and in His personal return for the Church.
- IV. **Holy Spirit:** We believe in the absolute and full deity of the Holy Spirit, the Third Member of the blessed Trinity, who is equal with the Father and the Son. It was the Father who gave His Son, the Son who gave His life, and it is the Holy Spirit who today gives spiritual life to those who believe in Christ. He indwells the believer and empowers him and Christ's Church for service, giving the various gifts to the members of the body of Christ to aid the Church in accomplishing the Great Commission.
- V. **Scriptures:** We believe that holy men of old wrote the Bible as they were moved (literally "being borne along") by the Holy Spirit (II Pet. 1:21), which harmonizes with II Timothy 3:16, which teaches that all Scripture is inspired (literally "God breathed" or "breathed out by God"). This means that the Holy Spirit so superintended the writers of the Holy Scripture that, although they utilized their own vocabularies and experiences, they wrote the very exact message God intended without any omission, addition, or error which means that the Bible is theologically, historically, scientifically, and geographically correct since the Holy Spirit is incapable of erring. Being plenary

verbally inspired by the Holy Spirit guarantees the infallibility and inerrancy of the Bible in every area in which it speaks and makes it the highest authority and guide for the believer.

VI. *Salvation:* We believe in salvation by grace totally apart from any human merit. Salvation is bestowed by a gracious God upon unworthy man conditioned solely upon his faith in Jesus Christ and His finished work on Calvary (Eph. 2:8-10; Jn. 3:16).

A. *God's Offer of Salvation:* We believe that the atonement of our Lord was unlimited, that Jesus died for the sins of the whole world and therefore offers salvation to the whole world (Jn. 3:16; I Jn. 2:2; I Tim. 2:4; II Pet. 3:9). We believe that the atonement of Jesus was sufficient for all but efficient only for those who believe. We believe that the atonement is limited only by man's unbelief and not by an arbitrary decision on God's part to save some and to reprobate the rest of mankind to Hell.

B. *God's Choice of Who Will Be Saved:* We believe in conditional election, that, according to I Peter 1:1-2, God chose from the masses of mankind those who would be saved on the basis of His foreknowledge of their faith. We believe that God's foreknowledge was based on His omniscience and that in His omniscience He knew who would believe and those He elected or chose to save. (We recognize that there are some who try to distort election on the basis of a foreknowledge of faith into election by merit. If election on the condition of faith is election by merit, then salvation on the condition of faith is also salvation by merit or works.)

C. *Man's Response to God's Gracious Offer:* We believe in resistible grace, that an individual can say no to the convicting power of the Holy Spirit and be forever lost. We believe that when God extends a call to salvation, it is a legitimate call both to the elect and to the non-elect, and that the non-elect refuse because of their own personal unbelief or rebellion and not because God refuses to enable them to believe because they were not ones whom

He chose to be saved. We believe that every individual who receives the call of the gospel also receives a divine enablement to believe.

D. Depravity: We believe in total depravity, that a man is born dead in trespasses and sin, and that apart from the divine enablement of the Holy Spirit, man, left to his own, will never and can never repent and believe. We believe that all men born since Adam are born with a natural inclination toward sin and not toward God and righteousness, that as Adam fled in the Garden from God, unregenerate man still flees a loving and pursuing God. We believe that although man is born dead in trespasses and sin and that the image of God in man is marred, he is still in the image of God, mentally, volitionally, and emotionally. The image of God in man is marred, but not destroyed.

VII. Security of the Believer: We believe that the Word of God teaches the security of the believer, that God will keep securely in His hand (Jn. 10:25-30) those who are trusting in Jesus but offers absolutely no hope for that person who is not trusting in Christ (I Pet. 1:5). The link that unites God and man is faith (Jn. 3:16). The security of the believer is based upon a continuous faith in Jesus Christ (Col. 1:21-23; Jn. 3:16; Heb. 3:12-13). We believe that the Scriptures present the possibility of an authentic believer ceasing to believe (I Jn. 2:24; Heb. 3:12-13) but not the probability (Heb. 6:9). We believe that apostasy is committed by willful unbelief and is without remedy (Heb. 6:4).

VIII. New Birth: We believe that all men are born with a depraved nature and are sinful by nature and by choice and as such are alienated from God, born dead in trespasses and sin. We believe that this condition can be reconciled only by the new birth, which is a work of regeneration wrought by the Holy Spirit (Jn. 3:5-6; Titus 3:5), conditioned upon a man's personal faith in the atoning work of Jesus on Calvary as sufficient payment for his sins (Eph. 2:8-10).

IX. Resurrection: We believe in the future bodily resurrection of the believer, at which time he will receive a resurrected glorified body, and that the new body will be

joined with the soul so that the child of God will spend eternity to come as a body/soul being. We likewise believe that the unbeliever will be resurrected with a body and soul which will forever suffer in the torments of Hell.

- X. *Judgment:*** We believe in the future Judgment Seat of Christ at which time the believer will stand before Christ and be judged and rewarded for the deeds done in the body whether they be good or bad (II Cor. 5:10). We also believe in the Great White Throne Judgment for the unsaved, where their lives will be reviewed and judged according to their works which will determine the degree of their punishment in the eternal flames of Hell (Rev. 20:11-15).
- XI. *Devil:*** We believe in the existence of a literal, personal, evil, and malicious being called Satan or the Devil who led a rebellion against God at some point before creation and was cast out of heaven along with the angels (demons) who followed him. He and his demonic hordes seek to tempt men to sin and thereby doom them to eternity in the fires of Hell. His doom and that of mankind who follow him has been pronounced as the lake of fire where he will one day be banished and shut up forever.
- XII. *Church:*** We believe in the local church as God's autonomous, self-governing, divinely-ordained institution for this age, whose head is Christ (Eph. 5:22-23; Col. 1:18) and whose life and vitality are produced by the regenerating indwelling presence and power of the Holy Spirit. We believe that the Great Commission (to evangelize and edify) is still the great task of the Church today (Matt. 28:18-20). We believe that the individual local church is the highest spiritual authority on earth outside the Christian home and that all other para-church organizations or institutions exist by the authority granted by the local church or cooperating local churches, and that their only right of existence is as they ultimately aid the Church in fulfilling the Great Commission.
- XIII. *Pastor:*** We believe that the pastor, as the under-shepherd, is to lead his flock as he is led by Christ through His Word (Acts 20:28). He is not to lord over God's heritage but to lead by example (I Pet. 5:2-3) and as a servant (Matt. 23:11). The sheep (as a whole or in part) are never told to lead themselves: that is the under-

shepherd's task. We believe that the pastor is to work in cooperation with his church board but is never to be subservient to the board while recognizing that "in the multitude of counselors there is safety" (Prov. 11:14).

XIV. *Creation:* We believe in the literal historicity of the Genesis account of God's creating this earth and man in seven literal twenty-four hour days, of man's early home in the Garden paradise, of his fall by eating the forbidden fruit, of his spiritual death and depraved nature resulting from this rebellion, and of his expulsion from the Garden.

XV. *Human Sexuality:* We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between one man and one woman. We believe that any forms of sexual immorality—including homosexuality, lesbianism, bisexuality, incest, fornication, adultery, and pornography—are sinful perversions of God's gift of sex. We believe that God disapproves of and forbids any attempt to alter one's gender by surgery or appearance (Gen. 2:24; Gen. 19:5; Gen. 26:8-9; Lev. 18:1-30; Rom. 1:26-29; I Cor. 5:1; I Cor. 6:9; I Thess. 4:1-8; Heb. 13:4).

We believe that the only Scriptural marriage is the joining of one man and one woman (Gen. 2:24; Rom. 7:2; I Cor. 7:10; Eph. 5:22-23).

NON-DISCRIMINATORY POLICY

Southeastern Free Will Baptist College admits students of any race, color, national or ethnic origin, and sex to all the rights, privileges, programs, and activities generally accorded or made available to the students at the College. It does not discriminate on the basis of race, color, national or ethnic origin, and sex in administration of its education policies, admission policies, scholarship and loan programs, or athletic and other school-administered programs. Because of religious beliefs, Southeastern Free Will Baptist College reserves the right to maintain student educational and behavioral employment requirements consistent with its Christian mission and Christian philosophy of education.

ACCREDITATION

Southeastern Free Will Baptist College is a member of the Transnational Association of Christian Colleges and Schools (TRACS) [15935 Forest Rd., Forest, VA 24551; Telephone: 434-525-9539; e-mail: info@tracs.org], having been awarded Reaffirmation I of its Accredited Status as a Category II institution by the TRACS Accreditation Commission on October 22, 2024. This status is effective as of January 1, 2025, and is valid through December 31, 2034. TRACS is recognized by the United States Department of Education (ED), the Council for Higher Education Accreditation (CHEA), and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

STATE AUTHORIZATION

Degree programs of study in Ministry, Bible, and Christian Education offered by Southeastern Free Will Baptist College have been declared exempt from the requirement of licensure under provisions of North Carolina General Statutes (G.S.) 116-15(d) for exemption from licensure with respect to religious education. Exemption from licensure is not based upon any assessment of program quality under established licensing standards. The Associate and Bachelor Degrees in Business Administration are licensed by the Board of Governors of The University of North Carolina (BOG), which is authorized to grant licenses to conduct degree-granting postsecondary activity in North Carolina pursuant to N.C. Gen. Stat. § 116-15.

EXCEPTIONS TO POLICIES

Any proposed exception to the policies in this *Catalog* must be addressed to the proper administrator: student services issues to the College Dean, financial issues to the Chief Financial Officer, and academic issues to the Academic Dean.

ADMISSIONS

GENERAL REQUIREMENTS

Planning Suggestions for High School Students: High school students are encouraged to take the ACT (act.org; school code 4327) or SAT (collegeboard.com; school code 3776) in the Spring of their junior year and then apply to Southeastern early in their senior year. (See “Procedures” on p. 15) In October of the high school senior year, it is recommended that students file the Free Application for Federal Student Aid (FAFSA) form (fafsa.ed.gov; school code 042740). Receipt of financial aid is dependent on acceptance for admission.

High School Graduation: Applicants for degree programs must have graduated from high school or have an equivalent General Education Certificate (GED) offered by the State Department of Education. Southeastern recognizes that some students graduate from a nontraditional high school program. These students must submit a transcript of completed coursework to be evaluated on an individual basis by the Admission Officers. A high school transcript is required to be submitted before the first day of class.

Academic Entrance Requirements: It is recommended that all incoming freshmen submit ACT or SAT scores to the Office of the Registrar. Although there is no set minimum score for admission, an applicant’s score must indicate an ability to perform satisfactorily on the college level. Students who either have a high school GPA lower than a 2.00 or have an ACT composite score lower than an 18 will be admitted on academic monitoring. SAT scores will be converted to an ACT-equivalent score.

Character and Testimony: Southeastern Free Will Baptist College is a distinctively Christian college, established for the purpose of training Christians for the service of their Lord. Thus, each applicant must submit a written statement affirming a personal faith in Jesus Christ. Three references are required, including one from the student’s pastor who can testify to the student’s faith and Christian character. Relatives of the student are disqualified as a person of reference.

Procedures: Submit applications online through the College website.

1. Go to www.sfwbc.edu/application to begin the application process.
2. Complete the remainder of the application process by logging into Populi, our student management system.
3. In Populi, submit the following:
 - Academic Information*
 - Background Information*
 - Emergency Information Statement*
 - Pastor Reference Form*
 - Spiritual Information*
 - Statement of Agreement*
 - Current Photo
 - Two References
4. Also, submit the following to the College Office:
 - Immunization record*
 - High School Transcript or GED**
 - Medical Form***

*These items must be received by the College Office before an applicant can be accepted as a student and admitted to class. All other items must be submitted in an expedient manner and are required for continued enrollment.

**If this requirement is not met, a student may be allowed to enroll as a Special Student. Students who either have a high school GPA lower than a 2.00 or have an ACT composite score lower than an 18 will be admitted on academic monitoring.

***If a medical form is not received, the student will be required to submit the form before the second semester of enrollment.

Dormitory Students: Dorm students are required to take a minimum of 9 credit hours.

Residency Requirements: To be in residence academically means to take courses for credit at Southeastern. Note the following requirements:

- 1) If a student transfers hours into a major, the student must complete 12 semester hours in the major field at Southeastern. The department chair or program coordinator will determine which of these 12 semester hours are required.
- 2) At least the final 25% of the credit hours of a baccalaureate degree program, or the final 25% of the hours of an associate degree program, must be completed in residence in order to receive a degree from

the College. In special situations, a limited number of these credit hours can be earned through transfer as determined by the department chair or program coordinator and must be expressed in writing to the Registrar.

Off-Campus Students: All students are expected to be dormitory students except those students who meet one of the following situations:

- Married students
- Single students who are at least 23 years old (Exceptions to this criterion may be granted for students who are 22 years old and in their fifth year of college.)
- Single students under 23 years of age who live with their immediate families or legal guardians.

Transfer Students: Students wishing to transfer from other colleges must have all transcripts from each college or university sent directly to Southeastern. Only when the official transcript is received will the awarded transfer credit(s) be given. It is expected that transfer students be in good standing with the institution they last attended. The transfer of credits is subject to the following limitations:

- 1) Credits from other institutions may be transferred, provided they originate from an institution that is accredited either regionally or nationally by an agency recognized by the Council for Higher Education Accreditation (CHEA).
- 2) The Office of the Registrar will inspect transcripts and award credit where appropriate.
- 3) Appeals of transfer credit must be submitted in writing to the Registrar. Upon receipt, the Registrar, the chair of the major department, and the Academic Dean may award the requested credit.
- 4) Courses need to be fundamentally equivalent in content and level to Southeastern's courses.
- 5) No credit will be given for transfer courses in which a grade lower than a C was earned.
- 6) All students who wish to transfer an English course equivalent to EN 101 or EN 102 must demonstrate competence on an English Proficiency Exam.
- 7) Any courses from an unaccredited college must be verified by examination or by probationary residence. The student must complete the first 24 credit hours of

coursework with at least a 2.00 GPA to satisfy the requirements for probationary residence. No more than 30 hours of unaccredited college credit will be allowed to transfer. Any appeals to this policy must be submitted in writing to the Registrar. Upon receipt, the Registrar, the chair of the major department, and the Academic Dean may award the requested credit.

- 8) Academic credits will not be transferred from a known degree mill as defined by CHEA (chea.org).
- 9) An enrolled student must acquire approval by the department chair or program coordinator for any course taken at another institution and intended to fulfill the requirements of a degree from Southeastern. For the appropriate forms, students may contact the Office of the Registrar. If no prior permission has been given to take a course at another institution, the course in question may not be allowed to be transferred in for credit.
- 10) At least the final 25% of the credit hours of a baccalaureate degree program or the final 25% of the credit hours of an associate degree program must be completed in residence to receive a degree from the College. In special situations, a limited number of these credit hours can be earned through transfer as determined by the department chair or program coordinator expressed in writing to the Registrar.
- 11) Transfer students in any classification may apply for admission, but it is rare for a student to transfer and complete degree requirements in one year.

Credit by Examination: High school students may receive up to 15 semester hours of credit through the College Level Examination Program (CLEP) and the Advanced Placement Examination (provided the grade is 3 or better). Interested students should contact their high school principal or the Office of the Registrar for details.

Credit for Life Experience: A limited number of courses are now available through "Credit for Life Experience" which is done in compliance with the guidelines of the Council on Adult and Experiential Learning (CAEL). Requirements for completion include a documented portfolio. The granting of such credit hours is predicated upon the matriculation and full enrollment of the student and the completion of residency requirements.

Recruiting Compliance: The Director of Development is responsible for assuring compliance with institutional policies which apply to all employees and agents who do any recruiting activities.

Terms: The College offers credit hours for three separate terms during the year: Fall semester, Spring semester, and Summer semester. Refer to the calendar at the back of this catalog for specific semester dates. Southeastern requires that payment or payment arrangements be made for any and all services provided prior to the beginning of each semester in which a student is enrolled. Payments may be accomplished through use of cash, check, credit card, student aid (grants and loans), scholarships, our 4-payment plan, or any combination of these. Payments can also be made directly in Populi, the school management program. Each student has a username and password to access account information in Populi. Failure to honor financial obligations to the College may result in collection efforts and/or dismissal.

Course Materials: Unless otherwise stated in the *Catalog*, required course materials are included with tuition for all credit-bearing courses. These materials include the following:

- Physical textbooks and rental books
- E-books and digital course resources
- Software subscriptions needed for course completion.

All course materials must be approved by the respective department chair and listed in the official course syllabus.

- 1) *Physical Course Materials:* Students must coordinate with the Bookstore Manager to receive any required physical textbooks or rental books for courses they are registered for. Failure to obtain materials in a timely manner may affect academic performance but does not exempt the student from responsibility. Rental books must be

returned to the bookstore by the posted return deadline at the end of each semester. Failure to return a rental book by this deadline will result in a charge to the student's account for the full replacement cost of the book.

- 2) *Digital Course Materials:* Students are responsible for independently purchasing required e-books and software subscriptions and securing access before or at the beginning of the academic term. Upon presentation of valid proof of purchase (printed itemized receipt or invoice) to the Business Office, a credit will be applied to the student's account for approved e-book and software subscription costs.
- 3) *Reimbursement Limits:* Students who choose to purchase a physical textbook in place of a required e-book will only be reimbursed the lesser of the two costs—the actual cost of the physical book or the listed e-book cost approved for the course. Credits will not be issued for optional or supplementary materials not approved by the department chair.
- 4) *General Provisions:* This policy applies only to required materials as determined by the Academic department and communicated in advance of each term. All credits and reimbursements are subject to verification and approval by the Business Office. Deadlines for submitting receipts may apply and will be published at the beginning of each semester.

Jobs: A limited number of students are employed for college-related work. Students desiring work should contact the College Office.

Guaranty Bond: Southeastern Free Will Baptist College has a \$10,000.00 Tuition Guaranty Bond with Western Surety Company serving as the Surety that was filed with the Wake County Clerk of Superior Court on October 31, 2022.

STUDENT REFUNDS AND RETURN OF FUNDS FOR COMPLETE WITHDRAWALS FROM THE COLLEGE

The refund policies listed below describe the financial obligations of students who withdraw from classes after the official beginning of a semester. Students are advised to read these refund policies carefully to determine which apply to their specific circumstances.

NOTE: Refunds for student aid will not be distributed to the student unless his/her account balance is zero. Forms for withdrawal from the College are available in the Office of the Registrar.

A. REFUND POLICY FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE NOT DVA OR TITLE IV AID RECIPIENTS (See “B” below for DVA recipients and “C” for definition of Title IV Aid Recipients):

Room and Board: Student will be charged through the school month of departure. Any payments beyond that will be refunded.

Tuition: All tuition fees beyond \$5 per class will be refunded up to the “drop class” deadline. No tuition will be refunded after the “drop class” deadline. No other refunds will be made.

No refunds will be made after the refund period except as stipulated for enrollment of DVA or Title IV recipients.

B. REFUND POLICY FOR DVA STUDENTS:

The following refund policy will be applicable to persons enrolled under the provisions of Title 38, U.S. Code as amended: The amount charged to the persons for tuition, fees, and other charges for a portion of the course will not exceed the approximate pro rata portion of the tuition, fees, and other charges that the length of the completed portion of the course bears to its total length.

C. REFUND REGULATIONS FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE TITLE IV AID RECIPIENTS:

Any student receiving Federal Title IV funds will be subject to the following policy regarding return of Federal Title IV funds:

- The College and the student will be required to return to the federal aid programs the amount of aid received that was in excess of the aid “earned” for the time period the student remained enrolled.
- The percentage of the semester completed is the percentage of aid earned. This percentage is calculated by the number of days the student attended divided by the number of days in the payment period (i.e., semester). For example, if a student withdrew on the 20th day of a

semester 107 days in length, the student would have only earned 19% of the aid he received ($20/107=0.19$).

- Students who remain enrolled through at least 60% of the payment period (semester) are considered to have earned 100% of the aid received and will not owe a repayment of Federal Title IV grant funds.
- If the College returns funds to the Title IV aid program, any student(s) involved may owe the College charges that were originally paid at the time of disbursement. Students may also be required to return funds released to them for personal expenses.
- Unearned Title IV funds will be returned within 45 days of the date the school determined the student withdrew. (Special rules apply to Post-Withdrawal Disbursements; see below.) Monies returned to the Title IV aid programs will be applied first to loans to reduce the loan debt of the student and/or parent borrower. (The calculations will be made using the R2T4 form provided by the U.S. Department of Education.) The school will also notify the student, by mailing a copy of the notice to the lender, that the funds have been returned on his or her behalf.
- Post-Withdrawal Disbursements are determined through the use of the R2T4 form and the Post-Withdrawal Disbursements Tracking Sheet provided by the U.S. Department of Education. Title IV grant funds must be distributed within 45 days of the date the school determined the student withdrew. The disbursement of any loan funds requires the notification of the student within 30 days and acceptance by the student within 180 days of the withdrawal date determined by the school.

REFUND POLICY FOR DROPPING A PORTION OF YOUR SCHEDULE AFTER CLASSES BEGIN

Changes in schedules until the “last day to add classes” on the school calendar in any semester will result in full charges for courses added. Changes in schedules until the “last day to drop classes” on the school calendar in any semester will result in a full refund for courses dropped less \$5 per course. No refunds for dropped courses will be made after this time.

STUDENT REPAYMENTS OF THE OVERPAYMENT (UNEARNED) OF TITLE IV FUNDS:

- The student is obligated to return any Title IV overpayment in the same order that is required for schools. The institution will notify the student within 30 days of withdrawal when he or she has received an overpayment of Title IV funds.
- In the notification, the school will inform the student that
 - (1) The student owes an overpayment of Title IV funds.
 - (2) The student's eligibility for additional Title IV funds will end if the student fails to take positive action by the 45th day following the date the school sent or was required to send notification to the student.
 - (3) There are three positive actions a student can take to extend his or her eligibility for Title IV funds beyond 45 days:
 - a. The student may repay the overpayment in full to the College.
 - b. The student may sign a repayment agreement with the College.

Note: Two years is the maximum time a school may allow for repayment.
 - c. The student may sign a repayment agreement with the U.S. Department of Education.
- If the student fails to take positive action within the 45-day response period, the student's overpayment will be reported to the National Student Loan Data System (NSLDS) and referred to borrower services for collection.
- Overpayments of less than \$50 are not subject to repayment.

FINANCIAL ASSISTANCE

FEDERAL AID INFORMATION

Financial aid programs at Southeastern Free Will Baptist College offer a variety of ways for almost every student to secure funds to attend college. The basic objective of the financial aid programs is to provide assistance based on financial need. Financial aid consists of funds awarded to help meet the student's educational expenses. There are several types of aid offered at SFWBC under federal programs and North Carolina state programs.

Those who find financing their education a problem should seek information from the Financial Aid Office about student aid available through the following programs:

GRANTS:

- Federal Pell Grants
- NC Needs Based Scholarship Grants

SUBSIDIZED AND UNSUBSIDIZED DIRECT LOANS:

- Federal Stafford Loan
- Federal Parental Loan for Undergraduate Students (PLUS)

EMPLOYMENT:

- Federal Work Study

Application for each program is made by first completing the Free Application for Federal Student Aid (FAFSA). The FAFSA application is available online at fafsa.ed.gov. A student must do the following:

- Complete the form designating Southeastern Free Will Baptist College with Federal ID #042740 as the institution to receive the results.
- Apply for loans if desired by contacting the Financial Aid Office for details.

SFWBC will receive the results and will make a final determination of financial aid available to the student after receiving all requested documents.

NOTE: Eligibility for most financial aid is dependent on cumulative GPA. Failing classes may cause a student to lose eligibility for financial aid.

PREFERENCE DATES FOR APPLICATIONS:

- March 1 for full academic year (or Fall semester only)
- October 15 for Spring semester

Because of the limited amount of funds in all aid programs, students applying by the above dates will be given first preference. Applicants submitting the required documents after these dates will be considered as funds are available. Federal Aid information and links can be found at www.sfwbc.edu/cost-and-financial-aid.

VERIFICATION

To ensure fair and accurate awarding of Title IV funds, federal financial aid regulations require that SFWBC complete the verification process on all selected applicants or up to 30% of its financial aid applicant pool. The verification process is required by the Department of Education. The College carries out the verification process as required by the Department of Education. Other applicants will be selected on a case-by-case basis if the College deems it necessary for accurate processing.

If a student is selected for verification, he will be notified by the Financial Aid Office with instructions outlining the forms and documents he needs to submit. Forms are also available in the Financial Aid office on campus.

Once a student is aware that he has been selected for verification, he will need to complete the forms as soon as possible and return them along with all other required documents to the Financial Aid Office. Failure to submit the forms in a timely manner may delay the processing of the application and therefore reduce the amount of aid that is available.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY FOR FINANCIAL AID

To be eligible to receive financial aid, a student must demonstrate satisfactory academic progress as presented in this policy. The student's entire academic record, whether receiving aid for each term of attendance or not, must be reviewed to determine if the student meets these Satisfactory Academic Progress policy standards. Therefore, final awards cannot be determined until final official transcripts are received by the Admissions Office for all transfer credits attempted. This policy is based on requirements set in place by the U.S. Department of Education, the North Carolina Board of Governors, and the academic standards of Southeastern Free Will Baptist College. Please note that the financial aid community defines *suspension* and *probation* in a manner different from that of the academic community. Financial aid awarded by the Southeastern Free Will Baptist College Financial Aid Office is affected by this SAP policy. To be best supported from the earliest stages of college life, any student with

an identified learning disability should notify the assigned academic advisor upon initial enrollment.

Undergraduate GPA (Qualitative Measure) Requirements:

- **First and Second Year:** Students must earn a minimum 1.50 cumulative GPA.
- **Third Year:** Students must earn a minimum 1.75 cumulative GPA.
- **Remaining Year(s):** Students must maintain a minimum 2.00 cumulative GPA.

Undergraduate Credit Hour Requirements:

- Students must enroll in at least 12 credit hours per semester (or 24 credit hours for the Fall/Spring academic year), if amount of aid received is based on full-time enrollment.
- Students must enroll in at least 9 credit hours per semester (or 18 hours for the Fall/Spring academic year), if amount of aid received is based on three-quarter-time enrollment.
- Students must enroll in at least 6 credit hours per semester (or 12 hours for the Fall/Spring academic year), if amount of aid received is based on half-time enrollment.
- Students must enroll in at least 3 credit hours per semester (or 6 hours for the Fall/Spring academic year), if amount of aid received is based on quarter-time enrollment. Enrollment at this level makes a student ineligible for student loans.

Undergraduate Completion Rate (Quantitative Measure) and Maximum Time-Frame Requirements:

- Students must earn no less than 68% of attempted credit hours.
- Students must complete their degree program within 150% of the credit hours normally required to complete the degree program as published in the catalog for all Associate and Bachelor programs.
- At the evaluation point in which it becomes apparent that it is mathematically impossible for the degree to be completed within the maximum time frame, the student is no longer eligible for financial aid.

- The charts below are examples of the minimum progression requirement for most degrees offered at Southeastern Free Will Baptist College. If a student is in a degree program which requires more than the typical amount of earned credits, the progression will be calculated accordingly.

Two-Year Certificate Minimum Progression Chart

Year	Hours Attempted	Minimum Earned
One	24	17
Two	48	33
Three	72	49
Four	96	64

Bachelor Degree Minimum Progression Chart

Year	Hours Attempted	Minimum Earned
One	24	17
Two	48	33
Three	72	49
Four	96	64
Five	120	82
Six	144	98
Seven	168	115
Eight	192	130

- Once students have earned their bachelor's degree, they are no longer eligible for federal or state grant aid. They may still receive loans if they have not met the aggregate limit for their enrollment status. However, they must still meet the SAP policy in order to remain eligible.

Grades Used in Determining Satisfactory Academic Progress:

Earned Credit Hours: Completed courses with a grade of A, B, C, D, and P will be counted toward Satisfactory Academic Progress calculations as credit hours earned.

Attempted Credit Hours: Grades of A, B, C, D, P, I, W, and F all count toward Satisfactory Academic Progress calculations as credit hours attempted.

Academic Variables That May Affect Your SAP Status:

Incomplete Grades, Missing Grades, Failing Grades, Course Withdrawals: Courses with these grade designations all reduce a student's Completion Rate ratio, because they are counted as attempted, but not earned, credits. They also count in the calculation of the Maximum Time Frame measure of 150%. Incomplete grades and missing grades will all count as F in the GPA calculation at the time of SAP evaluation at the end of each academic year, thus possibly resulting in a suspension status until the issues are resolved.

Remedial Courses: Initially, courses with a zero-level designation (0) are all included in the calculations of GPA and Completion Rate for SAP purposes. As the student establishes an academic record beyond remedial course work, these courses will drop out of the calculation as they do not count toward the graduation GPA. Remedial courses are not included in the Maximum Time Frame calculation for SAP evaluation. A student can be enrolled in up to 30 credit hours of zero-level courses and be considered as enrolled full time for financial aid eligibility, as long as that student is officially accepted into an aid-eligible degree program. Successful completion of remedial courses is required in order to continue with the degree program and maintain financial aid eligibility. Any grade less than a C is not considered successful completion for remedial courses.

Transfer Credits: Students who have attended other colleges and universities are required to submit academic transcripts for all previously-attempted coursework, even if no credits were earned. These transcripts are to be submitted to the Admissions Office and will be transcribed by the Registrar's Office as part of a permanent record. Once transfer credits are recorded, the Financial Aid Office will perform a SAP evaluation to determine eligibility for financial aid. For SAP purposes, only transferred credits that apply to the current degree program will be included in the Completion Rate and Maximum Time Frame elements of the evaluation.

The exclusion of credits that do not apply to the current degree will be limited to a one-time review upon entering a degree program at Southeastern Free Will Baptist College. Any subsequent degree changes will not warrant a new degree review, and all coursework after the initial degree review will count for SAP evaluation. Multiple degree changes may cause a student to reach

the Maximum Time Frame limit, thus causing a loss of eligibility before the student has earned a degree.

Changes in Major, Double Majors, and Minors: Students who change majors will have a SAP evaluation performed at the time of the change. Only previous coursework that applies to the new major will be considered for SAP Completion Rate and Maximum Time Frame elements. The exclusion of credits that do not apply to the new degree is limited to a one-time review upon entering the new degree program. Any subsequent degree changes will not warrant a new degree review, and all coursework after the initial degree review will count for SAP evaluation. Multiple degree changes may cause a student to reach the Maximum Time Frame limit, thus causing a loss of eligibility before the student has earned a degree.

Students who are planning to pursue a double major or pursue a dual degree should carefully plan their academic coursework with their academic adviser to ensure that they remain eligible for financial aid. The best approach is to complete the requirements for both majors/degrees simultaneously in the same semester. Once the requirements for one major/degree have been satisfied, the student will no longer be eligible for grant aid. Loans may still be available if a student has not met the aggregate loan limit.

Probationary Admittance: Students who are accepted conditionally into an eligible degree program due to late submission of documents or test scores or low test scores or low transfer GPAs will be eligible for financial aid for one semester. At the close of that semester, a SAP evaluation will be performed. If at that point, the student has provided the required documentation and/or has proven an ability to achieve acceptable grades in a chosen degree's coursework, that student will remain eligible for financial aid. Students with low incoming GPAs will continue to receive aid in probation status, as long as they are making acceptable progress toward their degree and can reach the required Cumulative GPA within the Maximum Time Frame. If deemed necessary, a student may be placed on an academic plan to insure achievement of the minimum Cumulative GPA in order to graduate within the Maximum Time Frame. If the student is not making progress toward a chosen degree, that student will be placed on suspension and have the opportunity to appeal.

Repeated Courses: The U.S. Department of Education allows for a previously-passed course to be repeated for the purpose of improving the grade only once per course while still considering it eligible for aid as part of a student's full-time enrollment status. For example, a student enrolled in 12 hours with one 3 credit hour course being a repeat of a previously-passed course would be eligible for aid based on full-time status. If that same course is repeated again as part of a subsequent 12-hour semester, the student would only be considered for aid at a three-quarter time rate for that semester. For this purpose, *passed* means any grade higher than an F. These repeated courses all count as attempted credit hours each time they are retaken but only count as earned credits once. Therefore, they will reduce the student's Completion Rate ratio and count toward the calculation of the Maximum Time Frame measure of 150%. If the student withdraws from that repeat course, it will not count as the "one" allowed repeat of a previously-passed class, but will count as attempted and not earned. Using this option too often may result in failure to meet SAP and in suspension from aid.

Repeating courses that were previously failed will always count as part of a full-time enrollment status for aid eligibility and will always count in the calculations for GPA, Completion Rate, and Maximum Time Frame measure. Having to repeat a high number of courses may result in failure to meet SAP and a suspension of aid as explained in this policy.

Late Posted Grades or Grade Changes: A student who has appealed for a grade change will be required to submit a written request to have SAP recalculated after it has been confirmed that the Registrar's Office has posted the approved grade change to a transcript.

Audited Courses: Courses taken as audits never count in the SAP calculations. Also, they do not count toward hours attempted for enrollment status determination.

Second Bachelor's Degree Students: Students enrolled in a second bachelor's degree program are required to submit a Credit Summary and letter signed by an academic advisor which states how many hours and (projected) semesters are required to complete the second degree. These students are NOT eligible for Grant aid, but may still receive loan funds if they have not reached their aggregate loan limit.

Coursework Not Eligible for Financial Aid:

1. Courses taken by unclassified or special non-degree-seeking students
2. Correspondence classes
3. Courses taken by high-school students while concurrently enrolled in high school

Suspension, Probation, Reinstatement, and Academic Plans:

NOTE: Financial aid probation and suspension are distinguished as different from Academic Probation and suspension as defined by the college academic community.

Every applicant for financial aid will undergo a SAP evaluation at the end of each Spring semester to determine the status of academic progress. Each student will fall into one of the categories described below.

1) Good Standing: Status of a student making satisfactory academic progress in all elements of the SAP policy. The student receives financial aid if otherwise eligible according to U.S. Department of Education standards. To maintain Good Standing status, a student must meet the minimum GPA and Completion Rate requirements at the end of each Spring semester according to the policy stated earlier in this catalog.

2) Financial Aid Suspension: Status of a student who fails to achieve the minimum GPA and/or Completion Rate elements of this SAP policy; also status of a student for whom it has been deemed mathematically impossible to earn a chosen degree within the Maximum Time Frame. A student is not eligible to receive any financial aid, including loans, because of failing to meet academic standards.

A student placed on Financial Aid Suspension can appeal the loss of Financial Aid eligibility. A student placed on Financial Aid Suspension will be sent a notification letter through their college email account and be offered an opportunity to appeal to the Financial Aid SAP Committee.

Students can initiate the appeals process in the Financial Aid Office by completing and submitting the Financial Aid Suspension Appeal Form and any supporting documentation. SAP appeals will be considered on a case-by-case basis where extenuating

circumstances have prevented the student from meeting the SAP requirements. Documentation must include details of the extenuating circumstances and an explanation of how the circumstances have changed to now enable the student to meet the probationary terms. Appeals must be typed and must include an explanation from the student and one other person such as a doctor, clergy, family friend, or someone outside the immediate family who is familiar with the circumstances.

Appealable Circumstances: Circumstances that are unusual and clearly could impact a student's ability to meet SAP standards will be considered. Examples: Death of an immediate family member, student illness or accident that limits the student's ability to attend classes, divorce, natural disaster directly impacting the student, and medical issues of an immediate family member that requires the student's care for an extended period of time.

3) Financial Aid Probation: Status of a student whose appeal has been granted. The student will be placed on probation and on an academic plan if deemed necessary. The student remains eligible for one payment period and will have a SAP evaluation at the end of that payment period. At that point, any students not meeting SAP or the requirements of their academic plan will again be placed on Financial Aid Suspension. Students who still feel that additional extenuating circumstances have limited their ability to meet SAP may appeal again.

4) Reinstatement of Financial Aid Eligibility: Status of students who have been placed on Financial Aid Suspension and choose not to appeal; also, status of students who enroll at their own expense despite having had their appeal denied. Such students will be reinstated to eligibility for financial aid once they meet the requirements for SAP.

5) Hold for Grades: Status of a student whose aid application for the upcoming year is received before the end of the current Spring term. The application will be held until Spring grades are reviewed. Students who fall into this category are as follows:

- Students who were on Financial Aid Probation for the current year.
- Students who were in good standing but did not meet the minimum GPA requirements after the current Fall semester.

Students will be notified after Spring grades are reviewed of any suspensions. Students found to be in good standing or placed on probation will be notified. These students may lose funds from the following programs: Tuition Waivers, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan, and Federal Work-Study because those funds had been awarded to other eligible students before Spring grades were available.

INSTITUTIONAL SCHOLARSHIPS

General Policies for All Scholarship Awards:

- Institutional scholarships are awarded based on student financial needs. Southeastern Free Will Baptist College (SFWBC) practices scholarship displacement, which reduces institutional scholarships by the amount of outside scholarships and/or grants that students are qualified to receive.
- Institutional scholarships are not always stackable. Each student's aid package is accessed individually on a case-by-case basis.
- Students must maintain Satisfactory Academic Progress (SAP) as outlined in the *Catalog* to be eligible for institutional aid.
- The scholarship award amounts listed hereafter are for full-time students (12+ credit hours) but may be prorated for those taking 6-11 credit hours.
- Students awarded scholarships must remain at the College and in good standing.
- Unpaid/unposted scholarships will revert to the scholarship fund for later distribution.
- Any credit balances in student accounts will be applied to the next semester.
- Total Institutional scholarships shall not exceed total tuition and required fees.

Academic Honors Scholarship: This scholarship will be awarded based on incoming freshmen's verifiable high school transcripts or college entrance exam scores (if transcript is not accredited). From the second semester forward, the student's SFWBC cumulative GPA will be used to calculate any benefit from this scholarship. The scholarship is awarded to qualified full-time

students regardless of residency. The following scale shows the per semester award for up to eight semesters:

- | | | | |
|--------------|-------|---------------|-------|
| • 4.0 – 3.75 | \$500 | • SAT – 1200+ | \$250 |
| • 3.74 – 3.5 | \$250 | • ACT – 25+ | \$250 |
| • 3.49 – 3.0 | \$100 | • CLT – 80+ | \$250 |

Alumni Legacy Scholarship: This scholarship is awarded to the on-campus dependent children of SFWBC alumni. This scholarship is awarded at a rate of \$250 per semester for up to eight semesters.

Children of Full-time Christian Workers Scholarship: This scholarship is awarded to the on-campus dependent children of full-time Christian workers. A full-time Christian worker is defined as follows: a pastor, associate pastor, evangelist, missionary, and/or full-time Christian day school worker. This scholarship is awarded at a rate of \$500 per semester for up to eight semesters.

Christian Worker Scholarship: This scholarship is awarded to any student, regardless of residency, who is currently employed (30+ hours) by a like-minded Christian ministry as defined by the Christian Service manual. This does not include student teaching or internships. The scholarship is awarded at a rate of \$500 per semester for up to eight semesters.

Church Match Scholarship: This scholarship is offered to encourage church participation in a student's education. The college will match a church's donation for qualified students up to \$500 per semester (\$1,000 annually).

College Ensemble Scholarship: This scholarship will be \$3,300 per semester for two semesters. Each member will be required to travel for the College for one calendar year. Requirements are explained at the necessary audition held on campus as directed by the Music Chairperson. In situations where there is no tuition benefit for the student, he or she will be paid for their required summer travel at a rate of \$100 per day up to a maximum of \$400 per week.

Family/Faculty Scholarship: Family/Faculty scholarships grant tuition credit, as needed, up to 100% of the total bill. This benefit

is for full-time employees, their spouses, and/or dependent children at SFWBC for up to ten semesters.

General Scholarship: Based on availability of funds, this scholarship is given to those students who maintain a minimum cumulative GPA as outlined in the “Classification of Students” section, have a financial need, and demonstrate a high level of dedication to their studies and Christian service.

Husband/Wife Scholarship: This scholarship is awarded to couples where both husband and wife are students at SFWBC. When both tuition bills are considered, the lesser of the two will receive a 50% scholarship off tuition.

Multi-Student Family Scholarship: This scholarship is awarded to assist families who have more than one student attending SFWBC at the same time. The scholarship is awarded at a rate of \$250 per on-campus, dependent child per semester when more than one child from the same household is in attendance during the same semester.

Deborah Lee Myer Teacher’s Scholarship*: This scholarship is awarded to all teacher education students who desire to serve God through the Christian school ministry. This scholarship is awarded at a rate of \$500 per semester for a minimum of four semesters regardless of residency.

Richard P. Myer Business Scholarship*: This scholarship is awarded to all business students who desire to serve God in the business field and support the local church ministry. This scholarship is awarded at a rate of \$500 per semester for a minimum of four semesters regardless of residency.

Pastoral Scholarship*: This scholarship is awarded to all pastoral students who sense God’s calling on their life to preach God’s Word. This scholarship is awarded at a rate of \$500 per semester for a minimum of four semesters regardless of residency.

**Scholarship is administered by the institution but is privately funded and will be disbursed as funds allow.*

STUDENT LIFE

Campus Life: Academic excellence and spiritual vigor combine to develop the total person. Emphasis on the personal relationship of the individual student with God forms the basis upon which a full and satisfying life can be built. This same emphasis places in proper perspective all of learning as well as all of life. Bible and missionary conferences, dormitory devotions, and chapel messages stimulate students to seek God's will for their lives. This spiritual emphasis provides the help needed to develop spiritual maturity. The guidelines outlined in the *Student Handbook* also seek to foster spiritual growth and development. The spiritual emphasis has one additional advantage: it improves the quality of all learning.

Services and Christian Service: Chapel is required of every student three days each week (depending on class and work schedules). Students are required to attend a like-minded church in the area, become involved in a specific ministry of that church, and actively participate in its evangelistic outreach. Prayer groups are required for dorm students, and they are available to off-campus students. Students also can participate in World Missions Fellowship which adopts a foreign or home missionary each semester to provide prayer, financial support, and encouraging correspondence. The College also promotes spiritual development through its Campus Revival, Missions Conference, Missions Retreat, and Spring Conference. These events are scheduled in the school calendar online and announced by the Promotional Department. Each summer, the College may sponsor mission trips to various locations both at home and abroad, and students are given opportunities to work in Christian camp ministries. Ministerial students have opportunities to preach on weekends in area churches, and internships are available to many ministerial students as a part of the academic program of the College. Students also minister in churches across the nation by participating in the college choir and/or ensemble.

Student Conduct: All students enrolled in the College are expected to maintain the highest standards of moral conduct and concern for the well-being and rights of their fellow students. The College expressly forbids the following activities:

- Plagiarism and cheating (These offenses are considered serious enough to warrant a failing grade for any course)

in which they have been practiced; repeated offenses can result in the student's suspension or expulsion from the College.)

- Gambling
- Homosexual activity, sexual activity outside of marriage, and sexual harassment
- Use or possession of alcoholic beverages, non-prescription narcotics, hallucinogenic drugs, or any other illicit drug
- Use or possession of firearms or fireworks.

The *Student Handbook* provides detailed statements of policies, procedures, and penalties relating to campus citizenship.

Student Organizations: Students are required to participate with their designated class in the election of officers and deciding issues pertinent to the class. There are also opportunities for students to participate in Student Body, World Missions Fellowship, and Societies.

Additionally, students are encouraged to practice citizenship and leadership principles by participating in the Student Government Organization and appointing students from various classes to serve as representatives therein. The Student Government Organization, under the direction of the Academic Dean, meets monthly to discuss issues relating to student affairs, while striving to promote and uphold the biblical foundations, standards, and guidelines upon which the College was founded. Maintaining close contact with the students to monitor their feelings, needs, and goals, the Academic Dean then addresses any concerns with the College Dean. Along with voicing their opinions on matters of importance collectively through the Student Government, students also may provide input individually through a comment box. The Student Government Organization operates according to the *Student Government Policies and Procedures Manual*.

Various students also serve as Prayer Captains in their respective dorms. Each year, the Dean of Men and the Dean of Women recommend to the Dean of Students those residents who exemplify the qualities conducive to the College's overall mission. From these recommendations, the Dean of Students chooses Prayer Captains.

All students holding leadership offices are required to attend the Leadership Summit before the beginning of each Fall semester.

Availability of Health Care Services: Southeastern does not offer nor provide for its students' medical insurance. In case of emergencies, students must contact their respective Dean immediately. Two AED devices are located on campus: one in the gym and one in the cafeteria.

A number of both emergency and non-emergency medical facilities are in close radius to the College. Students should contact their respective Dean if they need more recommendations for medical care locations or pharmacies in the area.

Academic Guidance: Every student is assigned to a faculty advisor whose mission is to assist the student in growth and development. This mission is accomplished through continuous and consistent personal contact which supports and encourages the student to complete the degree requirements and graduate on time. Thus, individual counseling is part of the guidance program and is available for the student regarding work, personal problems, religious experiences, or other matters.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA): FERPA affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:

- 1) The right to inspect and review the student's education records within 45 days after the day SFWBC receives a

request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

- 2) The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask SFWBC to amend a record should write the [College official responsible for the record], clearly identify the part of the record the student wants changed, and specify why it should be changed. If SFWBC decides not to amend the record as requested, SFWBC will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- 3) The right to written consent disclosures before SFWBC discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. SFWBC discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by SFWBC in an administrative, supervisory, academic, research, or support staff position (including law enforcement personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of SFWBC who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to

review an education record to fulfill his or her professional responsibilities for SFWBC. Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by SFWBC to comply with the requirements of FERPA. The name and address of the office that administers FERPA is as follows:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202

ACADEMIC INFORMATION

GENERAL INFORMATION

Admission to Classes: Students are permitted to enter classes only after the completion of financial arrangements. A student who fails to complete such arrangements within two days after the official registration day will not be permitted to attend class.

Bob L. King Memorial Library: The library building is open Monday through Saturday, and digital resources are accessible 24/7. Patrons can browse over 11,900 print resources on the shelves and study individually or in groups at tables throughout the Library. Additionally, the Library provides access to a wide variety of online databases for Populi users through its LIRN Consortium membership. Resources through Gale (36 databases), ProQuest (74 databases), and Open Access (8 databases) give patrons access to 118 different databases to use for research, projects, and assignments. Additionally, the Galaxie database provides access to 42 unique full-text theological journals, many of which are not found in other held databases.

Student Achievement Information: The assessment of student achievement measures utilized by the College includes retention rates, graduation rates, transfer-out rates, and job placement rates. Our graduates do not take state or licensing examinations. The most recent reported measures show the following:

- Student-to-faculty ratio: 8 to 1

- Retention rate: 93%
- Graduation rate for undergraduate baccalaureate: 55%
- Transfer-out rate: 23%
- Job placement rate: 94%

Notice of Record Archives: Southeastern Free Will Baptist College maintains records for all students in a web-based college management software called Populi. This system is maintained remotely and includes information such as students' admissions, grades, transcripts, and financial aid. This system includes student records going back to the 1990-1991 academic year. Some paper records are also maintained, and the Populi system is backed up locally on a monthly basis.

Grades and Quality Points: Records of Progress are kept by this institution on veteran and non-veteran students alike. Progress records are furnished to the students, veterans, and non-veterans, at the end of each scheduled school term. Records given to those students who have outstanding balances will be marked as "unofficial."

All students (except those classified as Special) are expected to make academic progress which will allow them to complete their courses of study within a reasonable time.

Grade Point Average (GPA): The GPA is based on the grade point system. It represents the average number of grade points per hour earned by the student for a given term or number of terms. It is calculated by dividing the total number of quality points earned by the total number of semester hours for which the student has registered. The following scale indicates the equivalence of the letter grade earned in a course to the quality point assigned to that grade:

- **A** (90-100)—4 Quality Points.
- **B** (80-89)—3 Quality Points.
- **C** (70-79)—2 Quality Points.
- **D** (60-69)—1 Quality Point.
- **F** (0-59)—No Quality Points.
- **I** (Incomplete)—No Quality Points. Any Incomplete must be converted to a passing grade within one month of the date received, or it will be entered as an F.

- **P** (Passing)—Not computed in GPA; included in total hours earned.
- **WF** (Withdrawal with Failure)—No Quality Points; computed in GPA.
- **WP** (Withdrawal while Passing)—No Quality Points; not computed in GPA.
- **AU** (Audit)—No Quality Points; not computed in GPA.

Credit Hour Definition: Southeastern Free Will Baptist College operates on the semester system. The unit for granting credit is a semester hour. One semester hour of academic credit is normally awarded for completion of a course meeting for 750 instructional minutes (50 minutes per week for fifteen weeks). A semester includes one week devoted to final examinations. Students are also expected to devote two hours per week to out-of-class work for each hour of instructional time.

The terms *instructional minutes* and *instructional time* include classroom and direct faculty instruction, whether presented in person or online. These terms also include time devoted to tests and other evaluation procedures. Student out-of-class work includes assigned reading, studying, completion of assignments, worksheets, research, and other academic activities assigned or recommended by the instructor.

Classification of Students:

- **Freshman:** 0-29 semester hours credit; minimum 1.50 GPA.
- **Sophomore:** 30-59 semester hours credit; minimum 1.50 GPA.
- **Junior:** 60-89 semester hours credit; minimum 1.75 GPA.
- **Senior:** 90 or more semester hours credit; minimum 2.00 GPA.
- **Special:** A student who is not pursuing work toward a degree because a Bachelor's degree has already been received, or a student who does not have a high school diploma or equivalency, or a student who cannot academically receive a degree as determined by the Administration.
- **Part-time:** Any enrolled student taking fewer than 12 hours.

Distance Education: Southeastern is authorized to offer distance education courses and is committed to ensuring the quality of each online course. Students who take these courses are generally current or former residential students. Students taking online courses will use Populi to interact with the professor, submit assignments, participate in group discussions, and access lectures and grades. See the *Student Handbook* for more information about policies and procedures regarding online courses.

Good Standing: This refers to the status of a student making satisfactory academic progress in all elements of the Student Academic Policy. To maintain Good Standing status, a student must meet the minimum GPA and Completion Rate requirements at the end of each Spring semester according to the policy stated earlier.

Requirements for New Students: All incoming students are required to take Old Testament Survey and Introduction to Biblical Studies in the Fall and New Testament Survey and Personal Evangelism in the Spring.

Required Educational Technologies for Students: Southeastern offers undergraduate associate programs in Ministry and Business and bachelor's programs in Bible, Teacher Education, and Business. Although most courses are residential, some are offered through distance learning. In either case, each course requires specifically-tailored technology.

Bible Program: For Bible courses, students are required to use the web-based program Logos. The online Logos platform offers invaluable resources not only for research but also for digital textbooks.

Business Program: Business courses often mandate using digital textbooks and textbook publishers' websites to complete assignments. Students must have the necessary access and skills to navigate these digital resources.

Christian Teacher Education Program: Education courses often require proficiency in using software for word processing and digital presentations. Such software includes applications such as Word, PowerPoint, and MimioStudio. Along with creating video lessons, students also work with conferencing applications and

develop web-based assessment tools. While working with various applications, students also learn best practices for various hardware such as digital projectors, Apple TVs, and Mimio smart boards.

Online Learning Platform (Populi): Regardless of their program, all students are expected to utilize Populi, our web-based Learning Management System (LMS), daily. This platform facilitates course management, including lessons, assignments, collaboration, and assessment. Additionally, Populi provides a gateway to the Campus Bookstore and the Bob King Library catalog.

Hardware Requirements

- Access to a functioning PC or Mac computer (desktop or laptop) manufactured within the last five years
- Internet access capabilities
- Audio output (speakers) and audio input (microphone)
- Access to a webcam
- Supported operating systems: current and two previous ones
- A tablet device with the above capabilities is also acceptable.

Software Requirements

- Word processing program: Microsoft Word, Apple Pages, or Google Docs
- Presentation program: Microsoft PowerPoint, Apple Keynote, or Google Slides
- Microsoft 365 (web-based software) with free access via registration provided through the College Office

Internet Requirements

- Minimum 0.5 Mbps upload speed and 2.0 Mbps download speed.

Library and Research Tools

- Students will be provided access to online databases (Gale, Open Access, ProQuest, Galaxie) via Populi and the internet for research purposes.

- The Library Director provides training and is available for support.

Program Time Limitations: The minimum and maximum time limitations for the following degrees are effective upon acceptance into a particular degree program:

- Bachelor Degree (120-134 hours)—2-10 years
- Associate Degree (60-65 hours)—1-6 years

Any student exceeding these program time limitations must reapply and must complete the degree program under the published guidelines set forth in the current catalog at the time of readmission into the program.

Graduation Degree Requirements: To receive a degree and walk in commencement exercises, a student must do the following:

1. Apply for graduation using the Graduation Application from the College Office.
2. Complete all requirements listed on the Graduation Application.
3. Have a cumulative GPA not lower than 2.0.
4. Have no grade below a C in courses related to the student's major.
5. Have no grade below a C in courses related to the student's minor.
6. Have earned the required grade of C or better in EN 101 and EN 102. (Teacher Education Students with an English proficiency must earn a B or better in EN 101 and EN 102.)
7. Have no grade below a C in any course in a proficiency (Teacher Education Students).
8. Be recommended by the faculty.

A student may be allowed to walk in commencement if the student lacks no more than two classes which can be completed in the summer semester following commencement. This must be approved through the Graduation Application.

Graduation Application: Students who expect to graduate must complete a Graduation Application. The student, with the help of

the assigned advisor, will complete the Graduation Application which, when finished and approved, will contain all the requirements that remain for that student to graduate from the College. The Graduation Application fee listed on the Financial Information page will be charged to the student's account. The Graduation Application lists several deadlines that the student must meet. If any of these deadlines are not met, the student must re-apply for graduation, and another Graduation Application fee will be charged.

Workload: For students who are employed, the following guidelines are suggested by the Office of the Academic Dean:

<i>Working Hours</i>	Over 40	31-40	15-30	1-15
<i>Class Load</i>	9 Hours	12 Hours	14 Hours	16 Hours

Academic Honors:

President's List: An honor roll will be published each semester in Populi of students who achieve a 4.0 GPA. To qualify, students must carry a minimum of 12 credit hours and must not have any failures or incompletes.

Dean's List: An honor roll will be published each semester in Populi of students who achieve a 3.0 GPA or higher. To qualify, students must carry a minimum of 12 semester hours and must not have any failures or incompletes.

Graduation Honors: Graduation honors are conferred to recognize students who have demonstrated outstanding academic achievement in their degree program. Honors distinctions vary based on the degree level and are awarded according to the following criteria:

Associate Degrees

Graduates earning an associate degree may be recognized "With Honors" according to the following standard:

Honor Title	Cumulative GPA
With Honors	3.499 – 4.00

To be eligible for graduation with honors:

- Students must complete a minimum of 45 credit hours in residence at the College.
- GPA is calculated using only the coursework completed at the College.
- The cumulative GPA at the end of the fall semester prior to graduation will determine graduation honors announced at commencement.
- The student's final transcript will reflect the actual honors earned, based on all coursework completed, including any in the final spring or summer term.

Bachelor's Degrees

Graduates of four-year bachelor's degree programs may be awarded Latin honors based on their cumulative GPA and fulfillment of residency requirements:

Honor Title	Cumulative GPA
<i>Cum Laude</i>	3.499 – 3.69
<i>Magna Cum Laude</i>	3.70 – 3.84
<i>Summa Cum Laude</i>	3.85 – 4.00

To be eligible for Latin honors:

- Students must complete a minimum of 60 credit hours in residence at the College.
- GPA is calculated using only the coursework completed at the College.
- The cumulative GPA at the end of the fall semester prior to graduation will determine graduation honors announced at commencement.
- The student's final transcript will reflect the actual honors earned, based on all coursework completed, including any in the final spring or summer term.

Sigma Delta Alpha Honor Society: Paul writes to his protégé in 2 Timothy 2:15 with the imperative, “Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.” Three Greek words found in 2 Timothy 2:15—*spoudázō* (study), *dókimos* (approved), and *alétheia* (truth)—begin with the three Greek letters *Sigma*, *Delta*, and *Alpha*, forming the basis of the honor society name. These three Greek words exemplify the essence of Southeastern and its unique mission to cultivate

studious and seasoned leaders whose lives are centered on God's Word. Paul, in context, challenges Timothy with the importance of *study*, meaning diligence of mind and eagerness to do one's best, as a basis for seeking the commendation of God. Members of Sigma Delta Alpha are approved unto God as they diligently and eagerly seek to know Christ and make Him known. The foundation for God's approval is obedience to the truth, which is the true doctrine of the Word of God. The distinguished members of Sigma Delta Alpha have demonstrated intellectual achievement, Christian character, and leadership ability.

Membership qualifications:

- Baccalaureate students must achieve a cumulative grade-point average of 3.499 by the beginning of the Spring semester before graduation.
- No more than forty percent of the graduating class will be inducted into the society.
- Qualifying students must exhibit Christian character and servant-leadership qualities.
- Invited students must submit a resume to the Academic Committee detailing relevant college career highlights (such as leadership roles held, Christian service activities, and other important milestones) to demonstrate qualifications.
- Finalists will be voted upon by the Faculty Senate and honored at the Spring graduation ceremony.

Incompletes: Students who have extenuating circumstances which will not allow them to complete the requirements for a course may request an "Incomplete" in writing which must be approved by the Instructor and the Academic Dean and will effectively give the student a one-month extension for those requirements.

Adding or Dropping Classes: Students may add or drop classes up until the published Add/Drop Deadline each semester with no academic consequences. The Add/Drop Fee will apply for each class added or dropped. After the Add/Drop Deadline, the student will be responsible to pay tuition for that class. In addition, a grade of either "WP" for "Withdrawal while Passing" or "WF" for "Withdrawal with Failure" will be entered into the student's permanent record for that class.

Attendance: Students are expected to attend classes regularly and punctually for the satisfactory completion of a course. All absences are recorded, and an absence does not excuse any student from any required work. Students are generally allowed one absence without penalty for each credit hour for each class (e.g., a 3-hour course allows 3 absences). Absences may be part of the academic requirement of some courses. There are certain days that absences are not allowed. Details of the Absentee Policy can be found in the *Student Handbook*.

Tardiness: Students are allowed to be tardy twice per class without penalty.

Course Numbering: Numbers of three digits are used to designate courses. The first digit represents the classification: Remedial, 000; Freshman, 100; Sophomore, 200; Junior, 300; Senior, 400. Where feasible, the last two digits indicate course sequence (e.g., a student should pass EN 101 before enrolling in EN 102).

Transferability of Courses: Students wishing to transfer from Southeastern Free Will Baptist College to another higher education institution must request through Populi that a transcript be sent from the Registrar to the receiving higher education institution. The receiving institution will determine acceptance of SFWBC coursework for transfer of credit.

Transcript Requests: The Office of the Registrar can provide official transcripts to graduates and students who have withdrawn and fulfilled all financial obligations with the College. To request an official transcript, please visit <https://www.sfwbc.edu/transcript>. Each transcript copy incurs a fee of \$5.

Faculty Involvement in Hiring Faculty and Administrative Personnel: At Southeastern Free Will Baptist College, we are committed to maintaining the highest standards of excellence in our academic and administrative functions. One critical aspect of this commitment is our approach to hiring qualified faculty and administrative personnel who align with the college's mission, vision, and core values.

Recruiting and selecting new faculty members and administrative staff is the exclusive responsibility of the President of Southeastern Free Will Baptist College and his designated

executive team. This process is carried out in accordance with the guidelines and policies approved by the College's Board of Directors. Faculty do not participate in any stage of the hiring process.

Faculty Involvement in Program Curriculum Development:

Faculty members are key participants in an ongoing program review process aimed at ensuring the highest quality of education. They engage in regular evaluations and adjustments to the curriculum in line with the College's institutional learning outcomes.

Faculty Evaluation Policy: Southeastern Free Will Baptist College is committed to instructional excellence. Our Faculty Evaluation Program is a multi-faceted approach aimed at continuous improvement. This process is approved by the Faculty Senate in coordination with the Academic Dean. The annual evaluations serve to enhance teaching quality and inform faculty rehire and advancement, along with other factors like service and scholarship. The complete details are in the *Faculty Handbook*.

Methods implemented include the following:

- Personal Evaluations: Conducted with Academic Dean and Department Chair for teaching improvement.
- Student Evaluations: Managed online through Populi to gauge teaching effectiveness.
- Syllabus Analysis: Reviewed by Academic Committee for alignment with guidelines.
- Course Learning Outcomes: Assessed for instructional improvements.
- Classroom Observations: Practiced at the discretion of the Academic Dean and Department Chair.

PROBATION, SUSPENSION, DISMISSAL

Academic Monitoring: A first-semester freshman who either has a high school GPA lower than a 2.00 or has an ACT composite score lower than an 18 is placed on academic monitoring until midterm of the semester. A student on Academic Monitoring is limited to registering for 14 semester hours or less. Also, the student is required to communicate weekly with an assigned academic advisor. If the student has a GPA equal to or greater than a 1.50 at midterm, the academic monitoring requirement is

removed. A student whose GPA at midterm is lower than a 1.50 is placed on Academic Notice (see below).

Academic Notice: A first-semester freshman whose GPA at midterm is lower than 1.50 is placed on Academic Notice for the remainder of the semester.

Academic Probation: Students must maintain a minimum cumulative GPA based on their student classification. The required grade point average is as follows: Freshmen and Sophomores, 1.50 GPA; Juniors, 1.75 GPA; and Seniors, 2.0 GPA. Students who fail to maintain the minimum cumulative GPA will be placed on Academic Probation. Students are placed on Academic Probation at the beginning of each semester, and the probation lasts the entire semester regardless of the student's midterm grades. Students on Academic Probation are not allowed to do any of the following:

- Hold student office
- Take part in athletics
- Carry more than 14 semester hours
- Represent the school in any capacity

Academic Suspension: Any student who remains under Academic Probation for two consecutive semesters will be subject to suspension for one semester. The Office of the Academic Dean may make exceptions to this policy if a student shows effort in academics and has not been a discipline problem. Work completed at other colleges by a student while under Academic Suspension will not be accepted.

Academic Dismissal: A student who is readmitted to the College after having been suspended must maintain satisfactory academic standing for the first semester after returning, or the student will be subject to dismissal from the College.

Withdrawal: A student desiring to withdraw from the College must secure a Withdrawal Form from the Office of the Registrar. The student will be allowed to withdraw only after this form has been properly submitted and accepted by the Registrar. Until such time, the student is considered to be enrolled and will be charged for tuition, room, and board. After a student has properly withdrawn from the College, transcripts will be issued upon request (if all account balances are at zero), and any refunds to which the

student is entitled will be made. A student will be considered withdrawn when absent from the College property without excuse beyond the number of days allowed for class absences.

Student Conduct: Students at Southeastern are expected to develop and maintain strong Christian character. They must abide by all the guidelines and standards of the College. The standards of conduct expected of students at Southeastern are based on biblical principles. Details of the policies regarding student conduct can be found in the *Student Handbook*.

STUDENT COMPLAINT POLICY

Formal Complaint: Students have an opportunity to present their complaints and to appeal administrative, faculty, or other employee decisions through a dispute resolution or grievance procedure. SFWBC will attempt to resolve promptly all grievances that are appropriate for handling under this policy. During the implementation of this policy the student's privacy will be maintained. Only those with a "need to know" will be apprised of the proceedings. Reports will be kept in a locked cabinet in the College Office.

Policies:

1. An appropriate grievance is defined as a student's expressed feeling of dissatisfaction concerning any interpretation or application of a work, discipline, or academic issue by one or more members of the administration, faculty, or other employee(s) or an unsatisfactory encounter with any of these individuals. Grievances also include matters of accusations of discrimination or sexual harassment.
2. Students must notify SFWBC in a timely fashion of any grievance considered appropriate for handling under this policy. The grievance procedure is the exclusive remedy for students with appropriate grievances. As used in this policy, the terms *timely fashion*, *reasonable time*, and *promptly* generally mean seven days.
3. Students will not be penalized for proper use of the grievance procedure. However, it is not proper for a student to abuse the procedure by raising grievances in bad faith or solely for the purposes of delay or harassment; likewise, it is not acceptable for a student to

repeatedly raise grievances that a reasonable person would judge to have no merit.

Procedure:

1. Any student having a grievance with an SFWBC employee should personally approach that employee in a spirit of humility and discuss the grievance. If a resolution cannot be reached, then the student should proceed to step two.
2. The student should bring the grievance to the attention of the supervisor of the administrator, faculty member, or employee in a timely manner (an organization chart to determine the supervisor is available in the College Office). The supervisor is to investigate the grievance, attempt to resolve it, and give a decision to the student within a reasonable time. The supervisor should prepare a written and dated summary of the grievance and proposed resolution for file purposes.
3. The student may appeal this decision to the next level (the supervisor's supervisor). An appeal must be made in a timely fashion in writing. That supervisor will confer with the student, the alleged offending party, and any other employees or students considered appropriate. Having investigated the issues, this supervisor will then communicate a decision in writing to all parties involved.
4. If the student is unsatisfied with the decision, the process in Step 3 may be repeated through the levels of the College until the matter reaches the President. If the grievance reaches the Office of the President, he will take the necessary steps to review and investigate the grievance and will then issue a written, final, and binding decision.
5. Final decisions on grievances will not be precedent-setting or binding on future grievances unless they are officially stated as SFWBC policy. When appropriate, the decision will be retroactive to the date of the student's original grievance.
6. Information concerning a student's grievance is to be held in strict confidence. Only those with a "need to know" will be apprised of the proceedings. Reports will be kept in a locked cabinet in the College Office. Employees who investigate a grievance are to discuss it only with those individuals who have a need to know about the complaint

or who are needed to supply necessary background information.

TRACS Student Complaint Process: Students who feel that the administration or faculty are not dealing properly with their complaint may contact Transnational Association of Christian Colleges and Schools by mail at TRACS, P.O. Box 328, Forest, VA 24551; by phone at (434) 525-9539; or by e-mail at president@tracs.org.

NC Post-Secondary Education Complaint Procedures: If a complaint cannot be resolved through the complaint process of Southeastern Free Will Baptist College, students may file a complaint with the North Carolina Post-Secondary Education Complaints unit. Please review the NC Post-Secondary Education Student Complaint Policy, print and complete the NC Post-Secondary Education Complaint Form, and submit the complaint to the following address:

BACHELOR DEGREE IN BIBLE

A Bachelor Degree in Bible enables students who are preparing for God's will to be able to know and apply the Word of God to their lives and ministries. Each class, taught with the firm conviction that the Bible is the inspired and inerrant Word of God, imparts a thorough knowledge of the message, themes, and doctrines of Scripture. During these four-year programs, each major section of Scripture is studied or is available for study so that graduates are equipped with a foundational yet comprehensive grasp of the entire scope of God's Word. These programs provide practical training in methodology and emphasis for local church ministry.

Interdisciplinary Studies Minor (15 hrs.)

This minor provides a flexible, breadth-oriented program of study that integrates biblical principles with multiple academic disciplines. Its structure is especially welcoming to transfer students, who may use a variety of previously-earned credits (with advisor and Academic Dean approval) to fulfill specific requirements. The Interdisciplinary Studies Minor can be combined with another minor, such as Pastoral Theology or Missions, to broaden a student's ministry preparation.

General Requirements—9 hrs.

Students select courses emphasizing leadership, biblical ethics, and mission-minded outreach.

Electives—6 hrs.

Students choose two elective courses (3 credits each) from any program or minor—such as Pastoral Theology, Missions, Youth Ministry, Music, Education, Social Studies, Science, English, Mathematics, or Business Administration—subject to advisor approval. This ensures a tailored academic experience capitalizing on prior coursework and personal interests. Transfer credits may be applied to these electives if they meet the learning outcomes and are approved by the Academic Dean.

Additional Notes

- **Transfer-Friendly:** The Interdisciplinary Studies Minor is designed to incorporate compatible transfer credits, reducing the likelihood of lost hours for students coming from other programs or institutions.
- **Double Minor Option:** This minor can be paired with another minor (e.g., Pastoral Theology) for students seeking an even broader scope of academic and ministry skills.
- **Advisement:** Students interested in the Interdisciplinary Studies Minor should speak with the Bible Department Chair or their assigned advisor early in their degree plan to maximize transfer credits and ensure proper course selection.

CHRISTIAN EDUCATION PROGRAM DEGREES

BACHELOR DEGREE IN CHRISTIAN EDUCATION

The growth of Christian day schools in America has necessitated the training of Christian teachers for these schools. Southeastern is committed to helping fill that need by providing education programs focused on professional skills as well as biblical studies. Students will receive a broad biblical base of classes in addition to taking general education and professional courses. The College desires Christian Education graduates to take an active part in and become faithful members to soul-winning ministries of evangelistic, fundamental, growing Free Will Baptist churches.

BUSINESS PROGRAM DEGREES

In today's world, where ethical leadership is essential, the Business Administration programs at Southeastern Free Will Baptist College—offered at both the associate and bachelor's levels—are designed to develop servant leaders who make a meaningful difference in business and ministry. Rooted in a Christian worldview, our programs integrate the study of accounting, economics, finance, management, and marketing with the enduring truths of Scripture. This holistic approach equips students to navigate the complexities of the marketplace with moral clarity, applying biblical principles to real-world business decisions. Our curriculum emphasizes stewardship, integrity, and social responsibility, shaping students who lead with competence and conviction.

Through these two- and four-year programs, we cultivate leaders who reflect Christ's model of servant leadership—men and women prepared to influence their workplaces, communities, and churches with wisdom, compassion, and a commitment to honoring God in all they do.
