First-to-Second Year Retention Rates

Retention rates measure the percentage of first-time students who are seeking bachelor's degrees or associate degrees who return to the institution to continue their studies the following fall.

Of the students who began their studies at SFWBC in Fall 2025, 73% of bachelor's degree-seeking students and 66% of associate degree-seeking students returned in Fall 2026.

Overall Graduation Rate

The overall graduation rate tracks the progress of students who began their studies as full-time, first-time degree-seeking students to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled.

Note that not all students at SFWBC are tracked for these rates. Students who have already attended another postsecondary institution, or who began their studies on a part-time basis, are not tracked for this rate.

The transfer-out rates within 150% of "normal time" for full-time, first-time students who began their studies in Fall 2020 was 31%.

The percentage of Baccalaureate full-time, first-time students who graduated within 150% of "normal time" to completion for their program at SFWBC for students who began their studies in Fall 2020 was 57%.

The percentage of Associate full-time, first-time students who graduated within 150% of "normal time" to completion for their program at SFWBC for students who began their studies in Fall 2020 was 0%.
